**An Emergent Theology for Emerging Churches** Ray S. Anderson, 2006-07-07 If the emerging church movement is looking for a theology Ray Anderson offers clear and relevant theological guidance for it in this timely book Reaching back through time Anderson roots an emergent theology in what happened at Antioch where Saul Paul and Barnabas were set apart for a mission to establish churches outside of Jerusalem among Gentiles who had to be reached in their own cultures He shows how the Lord Holy Spirit himself revolutionized and inspired how the message of salvation was offered to others and provided a model to follow Explaining that an emergent theology is messianic revelational kingdom coming and eschatological this book addresses many of the concerns of those looking for a church that is contemporary yet true to the gospel If you wrestle with the challenges that face the church in these postmodern days you will benefit from this book

**Servantship** Graham Joseph Hill, 2013-10-10 Servantship is essentially about following our Lord Jesus Christ the servant Lord and his mission it is a life of discipleship to him patterned after his self emptying humility sacrifice love values and mission Servantship is humbly valuing others more than yourself and looking out for the interests and wellbeing of others Servantship is the cultivation of the same attitude of mind Christ Jesus had making yourself nothing being a servant humbling yourself and submitting yourself to the will and purposes of the triune God Since servantship is the imitation of Christ it involves an unreserved participation in the missio Dei the Trinitarian mission of God In this pioneering work sixteen servants describe the four movements of radical servantship Servantship is the movement 1 from leadership to radical servantship 2 from shallowness to dynamic theological reflection 3 from theories to courageous practices and 4 from forgetfulness to transforming memory Servantship recognizes in word thought and deed that whoever wants to become great among you must be your servant and whoever wants to be first must be your slave just as the Son of Man did not come to be served but to serve and to give his life as a ransom for many

**Toward a Twenty-First Century Biblical, Apostolic Church** SuYeon Yoon, 2019-09-19 This book explores biblical values that critique the ecclesiology of the New Apostolic Reformation Church NARC and compares the ecclesiology to other missional movements in the North American context A biblical exegesis of Ephesians 4 11 13 as well as C Peter Wagner s conceptualization of an apostle and apostolic ministry allow the author to demonstrate the gap between the biblical perspective and Wagner s concept of an apostle The biblical role of an apostle is to make the church missional by emphasizing the concept of sending whereas Wagner sees the apostle as a church leader Based upon interviews and participant observation in three NARCs SuYeon Yoon describes the leadership and ecclesiology based on their own self descriptions This book then demonstrates the gap between the biblical and conceptual ideals and the reality of ecclesial practice The author argues that the NARC serves as a charismatic manifestation of a similar cultural response to establish a relational structure for church communities that can appropriately reflect upon and identify with the contemporary context This implies that each movement needs to be biblically sound faithful to its conceptualization and relevant to the context in order to cultivate its own way of being the church

The New Christians Tony Jones, 2019-03-01 What the emergent church movement is all about and why it matters to the future of Christianity Following on the questions raised by Brian McLaren in A New Kind of Christian Tony Jones has written an engaging exploration of what this new kind of Christianity looks like

**Christian Education and the Emerging Church** Rev. Dr. Wendi Sargeant, 2015-07-24 All signs point to Christian education having lost its theological location and prominence in the life of the Western Protestant church The Emerging Church movement as an intentionally postmodern approach to ministry in the contemporary context may however offer insights to reinterpret Christian education This significant movement in today s church gives Christian education a new interpretive framework that is theologically located at an intersection of doxology and doctrine In her examination of postmodern faith formation Wendi Sargeant explores the importance of the Christian worshipping community as the most appropriate setting for Christian education Practitioners and students will benefit from the ready to use teaching and learning matrix and all those with interest in the formation of faith in themselves and others will draw much from the way Sargeant situates worship as the basis for enhancing Christian formation and ethos

**The Theology of Dallas Willard** Gary Black Jr.,2013-08-06 Evangelical Christianity in the United States is currently in a dramatic state of change Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ Blending both a prophetic critique with pastoral encouragement Willard s unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith

Why We're Not Emergent Kevin DeYoung,Ted Kluck,2008-09-01 You can be young passionate about Jesus Christ surrounded by diversity engaged in a postmodern world reared in evangelicalism and not be an emergent Christian In fact I want to argue that it would be better if you weren t The Emergent Church is a strong voice in today s Christian community And they re talking about good things caring for the poor peace for all men loving Jesus They re doing church a new way not content to fit the mold Again all good But there s more to the movement than that Much more Kevin and Ted are two guys who demographically should be all over this movement But they re not And Why We re Not Emergent gives you the solid reasons why From both a theological and an on the street perspective Kevin and Ted diagnose the emerging church They pull apart interviews articles books and blogs helping you see for yourself what it s all about

**Missiology** ,2009 An international review Hath God Said? Elliott Nesch,2013-08-21 The labels Emergent Church Emerging Church Emergence Christianity and New Christianity all imply innovative and progressive understandings of Orthodox Christianity Like nailing jello to a wall many have attempted to understand and define the Emergent movement only to be frustrated and confused At the heart of the Emerging movement is the worldview of postmodernism which teaches that truth is relative and subjective Author Elliott Nesch demonstrates how postmodernism is incompatible with a biblical worldview of absolute truth and the authority of the Scriptures on various topics including feminism homosexuality hell mysticism eschatology Jesus Christ and the Gospel of the Kingdom of God and more In Hath God Said Emergent Church Theology the teachings of the Emergent movement are exposed in light of Scripture Also by comparing early Church writings with Emergent writings it becomes evident that the Emerging Church is not preaching the

faith once delivered to the saints
