

## Traditional investments

vs

## Alternative investments

Strategies that invest directly in public stocks, bonds and cash in order to make a return.

Investment strategies that aim to exploit inefficiencies in public markets or investments in private, less-liquid assets.

High liquidity profile

vs

Potential illiquidity

Traded on public markets

vs

Available in both private and public markets

Shareholders who are passive investors

vs

Active shareholders who may even be the sole owners of a company

Returns are sensitive to the movements of global markets - driven by sources of returns that are similar to those of global equity and bond markets

vs

Performance that is less sensitive to the movements of global markets - driven by diverse sources of returns
