Vishveshvaranand Indological Journal ,1988 Theory Into Practice Ann B. Dobie,2009 Beginning with more
accessible critical approaches and gradually introducing more challenging critical perspectives THEORY INTO PRACTICE
provides extensive step by step guidance for writing literary analyses This brief practical introduction to literary theory
explores core theories in a unique chronological format and includes an anthology of relevant fiction poetry and nonfiction to
help bring those theories to life Remarkably readable and engaging the text makes even complex concepts manageable for
those beginning to think about literary theory and example analyses for each type of criticism show how real students have
applied the theories to works included in the anthology Now updated with the latest scholarship including a full discussion of
queer theory and increased emphasis on American multicultural approaches THEORY INTO PRACTICE provides an essential
foundation for thoughtful and effective literary analysis Indian Books in Print ,2002 **Crossing B(l)ack** Sika
Dagbovie-Mullins,2026-10-25 The past two decades have seen a growing influx of biracial discourse in fiction memoir and
theory and since the 2008 election of Barack Obama to the presidency debates over whether America has entered a post
racial phase have set the media abuzz In this penetrating and provocative study Sika A Dagbovie Mullins adds a new
dimension to this dialogue as she investigates the ways in which various mixed race writers and public figures have redefined
both blackness and whiteness by invoking multiple racial identities Focusing on several key novels Nella Larsen s Quicksand
1928 Lucinda Roy s Lady Moses 1998 and Danzy Senna s Caucasia 1998 as well as memoirs by Obama James McBride and
Rebecca Walker and the personae of singer Mariah Carey and actress Halle Berry Dagbovie Mullins challenges conventional
claims about biracial identification with a concept she calls black sentient mixed race identity Whereas some multiracial
organizations can diminish blackness by for example championing the inclusion of multiple race options on census forms and
similar documents a black sentient consciousness stresses a perception rooted in blackness a connection to a black
consciousness writes the author that does not overdetermine but still plays a large role in one s racial identification By
examining the nuances of this concept through close readings of fiction memoir and the public images of mixed race
celebrities Dagbovie Mullins demonstrates how a black sentient mixed race identity reconciles the widening separation
between black white mixed race and blackness that has been encouraged by contemporary mixed race politics and popular
culture A book that promises to spark new debate and thoughtful reconsiderations of an especially timely topic Crossing B l
ack recognizes and investigates assertions of a black centered mixed race identity that does not divorce a premodern racial
identity from a postmodern racial fluidity Indian Book Industry ,1989 **An Introduction to Indian Poetics**
