

## Animal Farm

### Literary Elements Point of View

- The **point of view** is the perspective from which the story is told.
- In a work with a **first-person point of view**, the narrator is a part of the action and uses the pronouns *I*, *me*, and *my*. The reader only knows what the narrator knows and chooses to reveal about other characters and the events in which they are involved.
- A narrative with a **third-person point of view** is told by someone outside the action. Sometimes, this narrator is **limited** and reveals only his or her own thoughts and feelings. At other times, the narrator is **omniscient**, or all-knowing, and able to reveal the thoughts and feelings of all characters in the story.

Directions: Think about the narrator in Animal Farm. Then answer the following questions:

1. What kind of narrator does Animal Farm have?
  - a. Is the narrator a character in the story?  
No, it just observes and tells the story as an outsider.
  - b. Is Animal Farm told from a first-person or third-person point of view?  
It's told from a third-person point of view.
  - c. If Animal Farm is told from a third-person point of view, is he/she omniscient or limited?  
The narrator is limited.
  - d. List 2 or 3 details that helped you realize what kind of narrator is telling the story.  
It only knows some basic descriptions of the characters and simple thoughts of them. He mostly knows about pigs. The information is for you to make your own conclusions.
2. Can you trust that this narrator is portraying the story accurately? In other words, is the narrator reliable? Explain, and give support from the story for your response.  
I think he is, because he gives the information without stating if the actions are good or bad, it just states the things as they occurred. Not being involved makes the narrator neutral.
3. How has the narrator helped or hindered your understanding of the story so far?  
The story is told with simple language avoiding fancy words, the facts are stated, it has an order, it's pretty easy to understand, even though all the criticism in the story.
4. If you were writing the story of Animal Farm what kind of narrator would you choose? Why?  
I would use the limited narrator, because I'd like the reader to make its own conclusions.
