Hologram's management along with its insurers have concluded that it is probable that Hologram will be responsible for damages, and a reasonable estimate of those damages is \$1,000,000. Hologram's insurance policy of \$1,000,000 has a deductible clause of \$250,000. How should Hologram Chemical report this information in its financial statements on December 31, 2015?

The amount of the compensation will be less than the \$100,000 if the plant has more than a book value. How should the contingency for payment to the insured be reported on December 31?
 - a. \$0
