Task-Based Language Learning and Teaching and Students' Use of the Mother Tongue Anja Hilsenbeck, 2011 Seminar paper from the year 2011 in the subject English Pedagogy Didactics Literature Studies grade 1.0 University of Bamberg Lehrstuhl für Didaktik der englischen Sprache und Literatur course Task based language learning and teaching language English abstract

Although it is undisputable that task based language learning and teaching seems to be an interesting and varied methodology regarding language classrooms, there may arise some difficulties when trying to implement this approach. One of the most challenging issues within task based approaches is considered to be the students' use of the mother tongue. This term paper aims to examine how to deal with mother tongue use in a task based classroom, how to encourage target language use, and finally how mother tongue use is compatible with task based approaches.
