**Fundamentals of Management** Stephen P. Robbins, David A. DeCenzo, Mary A. Coulter, 2011. This streamlined volume covers the principle concepts of management to provide readers with a solid foundation for understanding key issues. Managers and Management The Management Environment Foundations of Decision Making Foundations of Planning Organizational Structure and Culture Managing Human Resources Managing Change and Innovation Foundations of Individual Behavior Understanding Groups and Managing Work Teams Motivating and Rewarding Employees Leadership and Trust Communication and Interpersonal Skills Foundations of Control Operations Management For managers and students of business

**Rethinking Management** Boris Kaehler, Jens Grundei, 2025-08-27. The concept of management is well established and very familiar to scholars and practitioners alike. However it is also very generic with no agreed upon definition and no consistency in the demarcation between it and its sub concepts and other similar terms. Building on an in depth analysis of literature this book establishes a precise understanding of management and systematically integrates its sub concepts of organization governance strategic management human resource management leadership and organizational culture. It thus provides a clear theoretical and conceptual framework helping researchers to theorize and practitioners to implement corporate management models.
