*Coding for Kids* Elliot Davis, 2021-04-26

Coding for Kids: Interested in coding but don't know where to begin? What if I told you that I could empower you with the knowledge to get you started on your journey to success? Coding for Kids is a beginner's friend, specially designed for beginners and children. Coding is the modern world's DNA. To create any website, phone app, computer software, and even to make several everyday appliances functional, you need coding. This is why coders play such an important role in defining the digital era and the future. Coding for Kids will help you understand the following points:

1. Concept of coding: A machine can understand only two types of data: off and on. These combinations are represented as 0s and 1s in binary code, with each digit representing one switch. To be able to build a computer program by writing billions of 1s and 0s will necessitate superhuman powers, and even if accomplished, it would most likely take you a

lifetime or more This is where coding comes into play 2 Perks of learning to code as earning profitability smarter perspective better job opportunities improved creativity effective communication and math skills etc 3 Reliable Internet sources for learning to code e g Codeacademy Udemy EdX org Lynda etc 4 Alphabetically arranged Coding terminology essential to learn for beginners from A to XML5 Description of top five programming languages like Java JavaScript HTML CSS and Python with real life applications to help understand the usage and functions of these languages 6 Fundamentals of HTML in detail e g HTML elements Headings paragraph anchor links forms etc a lengthy list of basic HTML tags etc 7 Fundamentals of CSS in detail e g CSS colors measurement units selector types font size etc 8 Fundamentals of JavaScript in detail e g variable rules operators function string array etc 9 Step by step insight into the fundamentals for coding your own website10 Adding structure to your website with HTML11 Adding style to your website with CSS12 Adding interactivity to your website with JavaScript13 Learning to code your own games Games included are Tic Tac Toe Rock Paper Scissors Dino Snake and Pong 14 More than 50 exercises related to HTML CSS and JavaScript for your practice Click add to cart if you would like to benefit from the above points and make your name in the coding world
