Franchise Opportunities Handbook United States. International Trade Administration, 1988

Training For Dummies Elaine Biech, 2011-03-04 Tackle training and development the fun and easy way so you can share your specialized knowledge with others Millions of Americans train others as part of their jobs Whether you're an employee training your co-workers on a new process or skill a volunteer asked to train new volunteers a chef training your staff or a paramedic giving CPR training it's just as important to know how to teach others as it is to know what you're talking about It doesn't matter how much you know about your subject if you can't share it with others And that's where **Training For Dummies** comes in it

offers all the nuts and bolts of training for anyone who has to educate others on any subject and in any field and it is written in plain English. Covering all the modern interactive instructional methods and dynamic training approaches available, this hands-on guide will help you inspire trainees and keep them engaged throughout the training program. You will discover how to master the jargon of training, the keys to using audio and visual aids effectively, how to prepare for the training certification process, helpful ways to evaluate your results and improve your tactics, tips, techniques, and tidbits for enhancing your training sessions, methods that improve trainee participation, alternatives to the traditional lecture method, tactics for gauging and managing group dynamics, strategies for addressing problems in the classroom, hints for understanding and adapting to different learning styles, resources and other extra material you can immediately use. The book has a part dedicated to the training profession so if you are interested in becoming a professional trainer, you will learn how to upgrade your skills and knowledge and what the trainer certification process entails. You will also gain a perspective on other aspects of the field of training. Additionally, *Training For Dummies* shows you ways to inject humor into your training sessions, ideas for saving time in the training room, and icebreakers that actually break the ice. Get your own copy to start flexing your training muscle today.
