The T.B. Joshua I Know Bisola Johnson,2018-05-30 This is a compilation of true life accounts that took place in a Cult Community called The Synagogue church of all Nations Ikotun Egbe Nigeria where the author was trapped for over a decade with other devotees through hypnotism and brainwashing She had documented her journey into this community who uses religious garb to cover their nefarious operation to lure the innocent into occultism She wrote how they lived how they were systemic initiated into the dark world of deceit and terrorized to swear secrecy allegiance Finally her escape was a grand style of Jehovah This is to EDUCATE people and to give ALL THE GLORY back to God for His Amazing Saving Grace His constant Love and His abiding Presence She said If I should denied the world this truth I became a partaker of evil and Hellfire would have been my eternal abode I am under obligation and indebted to share I cannot keep it to myself it burns in my bones I will also like to use this as a means of restoring the souls of those who have fallen away due to this global deception of T B Joshua This Book is a societal mirror for everyday people it is saying that each person has ability to discover who God is individually without depending on another man This is to stand as a guide to the blind as a warning to the gullible and as a light to the simple because what causes people to panic and run helter skelter in search of an intermediary between them and their Creator is still prevalent in the world such as sickness affliction trouble confusion disease barrenness joblessness etcetera What drives people to run from one prophet to another prophetess both false and genuine which can cause them to eventually fall into error is still at large Those things that pressurizes people daily and can cause them to be knocking on the doors of prayer contractors and spiritual arrangers intending to cut deals with God if possible rather than to go on their knees and be calling upon their Creator for Mercy and a turnaround is still thriving in the world today Evil seems to run rampant everywhere What we need is Peace in God and holding unto His Word These agents of satan are only having breakthrough at your breakdown Beware of miracle peddlers Beware of false prophets and Beware of false teachers Jesus warned This is their time Run for your life
