Next Business Model 2026 Series Reading Trends Across 25 Industries via Data and Specific Business Opportunities

A practical industry by industry report series presented by The Innovation Lab through the analysis of 5,000 business models. The Innovation Lab, a consulting group specializing in business trend analysis and business model consulting, is simultaneously releasing a 25 volume series of industry specific reports forecasting the 2026 business landscape. Why 25 industries? Today's business does not move on vague predictions or gut feelings. Accordingly, The Innovation Lab conducted a complete survey of over 5,000 business model BM data points from its proprietary analysis platform NextBM200 to quantitatively analyze changes across 25 key industries that comprise the global market, including Korea. Focusing on specific Business Models instead of grand future discourses, this series avoids abstract futurology or grand narratives. Instead, it focuses on presenting the actual trends emerging within each industry along with specific cases and data on business models that companies and individuals can implement immediately.
