New Opportunities and Challenges in Occupational Safety and Health Management Daniel Podgórski,2020-07-08 Global economy and its business environment and thus the world of work have recently been influenced by demographic and social changes globalisation as well as rapid development and introduction of novel sophisticated and previously unknown technologies and new business models especially in the context of the so called fourth industrial revolution These changes pose a number of challenges in terms of maintaining and improving occupational safety and health OSH management performance as traditional approaches to OSH management in new working environments may no longer be effective In view of the above the overall goal of this book is to present new approaches and methods for improving the effectiveness of OSH management They are based on state of the art research and are in line with the latest trends and concepts in the field The book focuses on five thematic areas which are discussed in respective chapters

- 1 Implementing the process approach to OSH management
- 2 Improving OSH management systems with fuzzy cognitive maps
- 3 Implementing strategic thinking approaches in relation to OSH management
- 4 Integrating OSH management within the framework of the CSR concept
- 5 Enhancing OSH management processes through the use of smart digital technologies

The methods and solutions discussed may be considered as specific opportunities for the improvement to be taken into account in the processes of implementing and maintaining an OSH management system in light of the requirements of the new ISO 45001 standard

Safety Management Chitram Lutchman,Rohanie Maharaj,Waddah Ghanem,2016-04-19 With annual cost in excess of 150 billion from workplace related illnesses and injuries any knowledge that can reduce this burden contributes to the overall welfare of the work force and business performance Yet there are many key areas of opportunities that have not yet been discussed in the literature such as approaches to improving contract
