### Endeavour

Function: This department is to assist in construction and delivery, both critical skills for production-relevant needs. The purpose is to ensure the customer requirements are met in good time.

Major Initiatives: The department facilitates both parts (during the budget) which are covered in previous job posts, and will be making construction the standard policy, making that a standardised process system. During the second part, will be given a set of new initiatives and subject-matter, mainly regarding their behavior when implementing change with the initiatives that are made in the budget.
