Numerical Analysis

The background of the cover features a complex, three-dimensional visualization of a mathematical curve or surface. The central element is a bright, glowing blue and cyan helical or spiral shape that appears to be composed of multiple overlapping, semi-transparent layers. This central form is surrounded by a larger, more diffuse and darker structure that resembles a mesh or a grid of points, possibly representing a numerical approximation or a specific mathematical surface. The overall aesthetic is technical and scientific, with a focus on geometric and numerical concepts.
