Emmanuel Eko, 2021-05-17 And God blessed them and God said unto them, Be fruitful and multiply and replenish the earth and subdue it, and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth, Gen 1:28 Have you ever wondered why there seems to be great disparity between what the Word promises and the experiences of your daily life? Does it sometimes feel like certain people are over-exaggerating their results or deliberately not telling the whole truth about how they attained great heights? All these and more have been unveiled in this timely book, *Mind Shift*. In what he refers to as "The Mind Game," pastor and speaker Emmanuel Eko explains the battle field where all successes and failures in life are made. He challenges readers to manifest the seed of greatness deposited on their inside by making themselves deliberate about the processes that take place in their minds. This book is a deep dive into the minds as the most powerful machine God has given you for dominating in all spheres of life, irrespective of circumstances or oppositions. In a systematic yet easy-to-understand fashion, the author lays out God's proven principles for total dominance while explaining that greatness in life is NOT a product of convenience but sacrifice and patience. When you read *Mind Shift*, you will discover six different types of limiting mindsets and practical steps you can take to change them over time. You will also learn the missing link that leaves many highly talented people wanting when their less resourceful counterparts make progress with giant strides. The author also shares from scriptural and contemporary accounts as he outlines a proven strategy to create a total mind shift that guarantees dominance in all spheres of life. Read this book if you want to distinguish yourself from the rest of the pack and join the top 1% in the world who are maximizing their potentials to the fullest.
