## **Simple Us National Parks Ideas For Students:**

**National Parks beyond the Nation** Adrian Howkins, Jared Orsi, Mark Fiege, 2016-03-31 The idea of a national park was an American invention of historic consequences marking the beginning of a worldwide movement the U S National Park Service asserts in its 2006 Management Policies National Parks beyond the Nation brings together the work of fifteen scholars and writers to reveal the tremendous diversity of the global national park experience an experience sometimes influencing sometimes influenced by and sometimes with no reference whatever to the United States Writer and historian Wallace Stegner once called national parks America s best idea The contributors to this volume use that exceptionalist claim as a starting point for thinking about an international history of national parks They explore the historical interactions and influences intellectual political and material within and between national park systems in Canada New Zealand South Africa Indonesia Antarctica Brazil and other countries What is the role of science in the history of these preserves Of politics What purposes do they serve Conservation Education Reverence toward nature Tourist pleasure People have thought differently about national parks at different times and in different places and neat physical boundaries have been disrupted by wandering animals human movements the spread of disease and climate change Viewing parks around the world at various scales and across national frontiers these essays offer a panoptic view of the common and contrasting cultural and environmental features of national parks worldwide If national parks are as Stegner said absolutely American they are no less part of the world at large National Parks beyond the Nation tells us as much about the multifarious and changing ideas of nature and culture as about the framing of those ideas in geographic temporal and national terms

**Schooling for Sustainable Development in Canada and the United States** Rosalyn McKeown, Victor Nolet, 2012-07-26 Education for sustainable development ESD presents an intriguing challenge in developed countries The very notion of sustainable development may appear to be at cross purposes with the social and political aims of large industrial economies Yet arguably the residents of wealthy countries may be most in need of new ways of thinking and behaving on an increasingly more fragile and crowded planet This book presents a collection of essays that capture the depth and diversity of education for sustainable development ESD work in formal education in Canada and the United States Many of the authors are pioneers in the field of ESD not only in their own countries but internationally In this book they share their expertise lessons learned and insights into the ongoing success of their work The essays reflect leading edge practice innovation and depth of experience and provide clear models and strategies for expanding the application and influence of ESD in wealthy countries The ESD programs described in the book are relevant and culturally appropriate for the specific locally contexts in which they are found but also in the larger context of ESD writ large as a planetary endeavour

**Teaching Listening and Speaking in Second and Foreign Language Contexts** Kathleen M. Bailey, 2020-03-05 This book guides language teachers in planning and teaching activities that promote the development of speaking and listening skills at all levels of target language

proficiency for teachers of any modern language Kathleen M Bailey draws on her extensive experience as a language teacher teacher educator and language learner to interweave practical activities with the research and theory that support their use Activities include the use of pictures songs drama techniques tasks and projects to promote the development of speaking and listening skills The author shares reflections of her own and encourages readers to reflect on their own experiences and become aware of their existing mental constructs through multiple reflection tasks and discussion questions Each chapter provides focusing questions The systematic chapter structure scaffolds the readers understanding of the concepts explored which include communication strategies interactive and non interactive listening speaking anxiety accentuatedness and intelligibility and much more Through its companion website this book provides access to resources that enable readers to continue their own professional development as teachers of listening and speaking in second and foreign language contexts

**The National Parks** Dayton Duncan, Ken Burns, 2009-09-08 The companion volume to the twelve hour PBS series from the acclaimed filmmaker behind *The Civil War* *Baseball* and *The War* America's national parks spring from an idea as radical as the Declaration of Independence that the nation's most magnificent and sacred places should be preserved not for royalty or the rich but for everyone In this evocative and lavishly illustrated narrative Ken Burns and Dayton Duncan delve into the history of the park idea from the first sighting by white men in 1851 of the valley that would become Yosemite and the creation of the world's first national park at Yellowstone in 1872 through the most recent additions to a system that now encompasses nearly four hundred sites and 84 million acres The authors recount the adventures mythmaking and intense political battles behind the evolution of the park system and the enduring ideals that fostered its growth They capture the importance and splendors of the individual parks from Haleakala in Hawaii to Acadia in Maine from Denali in Alaska to the Everglades in Florida from Glacier in Montana to Big Bend in Texas And they introduce us to a diverse cast of compelling characters both unsung heroes and famous figures such as John Muir Theodore Roosevelt and Ansel Adams who have been transformed by these special places and committed themselves to saving them from destruction so that the rest of us could be transformed as well *The National Parks* is a glorious celebration of an essential expression of American democracy
