Trending Capsule Wardrobe Step Plan:

The Holistic Pine: Volume 2, Issue 2 Writers' Kalam,2023-02-19 The Holistic Pine is India's first independent international monthly lifestyle journal Sanskar News India has just taken a giant leap into the world of independent publishing with the launch of The Holistic Pine The Gram Today Authenticity Brevity and Clarity We experience information overload the moment we search something online especially when this search is regarding courses and careers What guarantee do we have that the information we receive online is genuine or not How many hours should we dedicate to sift through the data available How could we identify the authenticity of information Instead of spending hours and hours of time and energy The Holistic Pine is making it easier for the reader to get authentic information within a short period of time This is one of the reasons educational institutions are moving massively towards The Holistic Pine where you get Authenticity Brevity and Clarity There is still another reason Most academic journals subscribed by college school libraries do not create readers out of students Most students avoid them However The Holistic Pine is unique in its appeal That's where The Holistic Pine becomes different It has created a bridge between the magazine culture and journal culture offering in each issue a highly stylised reading material that attracts students and scholars The Holistic Pine thus becomes an academic asset in educational institutions scholars UPSC PSC and Civil Service or IAS aspirants and general readers
