An Introduction to Content Marketing Robert Heller,2022-10-06 Seminar paper from the year 2020 in the subject Business economics Offline Marketing and Online Marketing grade 1 7 University of Applied Sciences Zwickau Fakult t Sprachen language English abstract Content Marketing has become a buzzword for Online Marketers It gets more attention than ever before and you can say it is a trend Content Marketing is in But there is still lots of bad content out there This paper might help you create appealing content for your audience starting with Content Strategy followed by Content Planning Last but not least will be the writing process or how texters can write good content Consuming content grew exponentially in the last couple of years even though people are being flooded with content What is it that people like to read hear and see It is not any kind of content It is good content Content that has a high quality is relevant understands the users and speaks their language Content that creates value and creates a dialogue between the users and the company The following pages will tell you a little more in detail about how you can create better content for your audience and also why you should do so The structure and most of the content are based on the book *Think Content* by Miriam L ffler It will help make the internet a better place little by little

[Social Media Marketing on Instagram. Exploration of Strategic Perspectives](#) Lisa Jessen,2018-06-20 Master s Thesis from the year 2018 in the subject Communications Public Relations Advertising Marketing Social Media grade 1 7 University of Potsdam language English abstract With 800 million users worldwide Instagram is one of the world s leading social media platforms The reason for the increasing relevance of Instagram is its mobile local social and visual character which reflects how individuals are currently using social media and will continue to do so in the future Instagram s combination of emotional visual content story telling and interaction with the community also makes it a platform that allows brands to differentiate themselves from others to become unique in what are often very saturated markets While Instagram is a new application and previous research focuses mainly on long established social media platforms such as Facebook this thesis aims to explore the various strategic perspectives of successful social media marketing on Instagram by developing a theoretical frame work and presenting the practical strategies of three very different organisations in a multiple case study design The framework and

the case studies prove that the five identified social media dimensions content marketing engagement marketing influencer marketing hashtags and Instagram advertising are applied in practice but are adapted very individual on each organisation its goals and its target group

Marketing of Terrorism. Analysing the Use of Social Media by ISIS Lisa Wiechert,2017-06-02 Social media has played a central role in the digital era for almost a century influencing almost all aspects of life The use of social media in warfare is threatening not only one country but the whole global community is a recent development The famous speech by Abu Muhammad al Adnani on social media inspired the bloody month of Ramadan in 2016 and showed the deadly power of social media inspired attacks and what the Islamic State is capable of achieving Although the terrorist group has lost territory over the last few weeks of combat both in Syria and Iraq and is on the edge of losing their main capital Mosul IS still remains a hybrid threat Consisting of military powers and an unmatched affinity of using social media as a cyber war weapon IS will continue to be a severe danger to the global community This book aims to foster a deeper understanding of the use of social media for recruiting efforts by the so called Islamic State IS and to analyse its propaganda methods in order to develop possible countermeasures A special focus will be put on the method of recruitment of young Western foreign fighters These individuals are the easiest to recruit for ISIS and pose the greatest risk to the global community especially in regards to home grown terrorism and so called lone wolf attacks Since this area of research is very new and quickly evolving the field still needs extensive research It is difficult to analyse the use of social media content by the Islamic State due to limited information access and flow encryption propaganda verification and inconsistency The Islamic State is a military threat on the battleground as well as a potential cyber threat for the international community Despite these challenging circumstances this book will provide a new theoretical model based on the marketing model of a customer journey in connection with the main principles of storytelling Ultimately this research work will try to provide experts with a new and modern approach of analysis as a base for possible counter measures to weaken and combat the current threat posed by the Islamic State From the text Islamic State Terrorism Social Media Propaganda Institutions Radicalisation Content Marketing James Jackson,2017-05-03 Content marketing is good for your bottom line and your customers Specifically there are three key reasons and benefits for enterprises who use content marketing Increased sales Cost savings Better customers who have more loyalty Content is the present and future of marketing Go back and read the content marketing definition one more time but this time remove the relevant and valuable That s the difference between content marketing and the other informational garbage you get from companies trying to sell you stuff Companies send us information all the time it s just that most of the time it s not very relevant or valuable can you say spam That s what makes content marketing so intriguing in today s environment of thousands of marketing messages per person per day Marketing is impossible without great content Regardless of what type of marketing tactics you use content marketing should be part of your process not something separate Quality content is part of all forms of marketing Social media marketing Content marketing strategy comes before your social media strategy SEO Search engines reward businesses that publish quality consistent content PR Successful PR strategies address issues readers care about not their business PPC For PPC to work you need great content
