Chronological Bibliography

I. Sample Books on Personal Evangelism—Arranged Chronologically:

The following books on evangelism are arranged chronologically. Generally not included are books on world missions, church planting, church growth, personal follow-up, discipleship, and a theology of evangelism. It may be noted, however, that there is a significant overlap of topics. An effort has been made to include books of all stripes, everywhere from a 1975 Papal encyclical to W. B. Riley's 1904 *The Perennial Revival*. Inclusion in this list does not constitute an endorsement, but is meant to show the breadth of books on evangelism in the past century. These books may show that "There is nothing new under the sun," even in the area of evangelism. A similar bibliography is arranged alphabetically at the end of these notes.
