A variety in the kitchen is a key to successful cooking. In spite of that, no one has time to invent new things yourself. Most people have learned to prepare several dishes in a traditional way on a kitchen stove or in the oven, and that's it. However, home cooking is much more than that. The only question is: How? The answer is simply: Steam pressure. How does it work? Pressure cooking can simplify meal preparation by using cooking liquid and water. Discover the magic of pressure cooking, and you'll never get bored preparing the meals for your family. Your favorite dishes that would take hours of cooking in the traditional way can be ready for several ten minutes in an amazing pressure cooker. This cookbook provides you with five hundred absolutely delicious recipes, which is more than enough for a great start. The recipes are written in an easy-to-follow fashion. Each and every recipe will guide you step by step through the process of pressure cooking so that success is inevitable. The first chapter contains two hundred and fifty recipes for stove-top Conventional Pressure Cooker. The second chapter contains two hundred and fifty recipes for Instant Pot Electric Pressure Cooker.
