Building Your Own Capsule Wardrobe Pat Sgambati,2021-08-24 Capsule wardrobes are about personal style but they are also a more mindful and sustainable way to think about clothing
Fast fashion and our consumerist culture have tricked us into believing that we must own everything and the result is a stuffed closet full of clothes that we may never wear
While capsule collections originally produced an air of exclusivity and a designer s artistic expression most of the individuals who have now become capsule wardrobe experts got into the game because they are tired of decision fatigue and also because they want to be more sustainable
Capsule wardrobes push us to think more about whether we truly need each piece in our closet
Buy less wear more and find high quality that s the motto here This guide will cover the most basic steps of creating a capsule wardrobe as well as the benefits of the idea
Items covered will include things that some may prefer to skip while others will spend a long time pondering how to best go about this that or the other
The perfect capsule wardrobe will change from person to person and no one can tell you otherwise

Capsule Wardrobe Beverly Morton,2017-10-06 Capsule Wardrobe The Essential Guide on How to Find Personal Style and Create Amazing Capsule Wardrobe
If you re looking to change up what s in your closet look through magazines Explore parts of the store you don t usually look at
If you wear skinny jeans try a relaxed fit
If you wear dresses often try a blouse and skirt
Ask your friends why they like a certain piece or a certain designer or a certain brand
This is also a good chance to see if there s a style you might be missing our tastes can change as we age
Something to keep in mind while you work on defining your style and looking for inspiration is what you want your clothing to say about you
Each style has a definition and a preconceived stereotype that goes with it
For example the girly style is stereotypically full of pink lace and dresses
Sometimes all three in one piece of clothing
Simply because

something fits the definition of one style almost word for word doesn't mean that it can't fit into another category too This book will help you on capsule wardrobe Thank you for downloading this book it is my sincere hope that it will answer your questions on Capsule Wardrobe
