Monthly Catalog of United States Government Publications, 1994 *Monthly Catalogue, United States Public Documents*, 1994 **Sport Across Asia** Katrin Bromber, Birgit Krawietz, Joseph Maguire, 2013 This book is designed to reflect both our current knowledge regarding sport globalisation and encounters with several important post colonial or non western societies and to draw together scholars from a range of different disciplines Case studies of cultural encounters in Central South East Asia Asia Minor and the Arabian peninsula capture the paradoxical processes of emulation resistance and transformation that are at work in the diffusion and development of sport and body cultures These case studies bring together insights from anthropology cultural studies geography history law sociology various area and post colonial studies

Early Psychological Research Contributions from Women of Color, Volume 2 Rihana Shiri Mason, Jon E. Grahe, Michelle L. Ceynar, 2024-07-29 This volume serves as a companion to *Early Psychological Research Contributions from Women of Color Volume I* It focuses on the dissertations of 20 builders women of color who earned their doctoral degrees in psychology prior to 1990 and who were leaders in the field through their leadership or innovation An introductory chapter bridges the two volumes Each subsequent chapter summarizes and examines a dissertation using a consistent format including a biographical sketch of the builder with an emphasis on her significant contribution to an organization or innovation that moved the field forward a summary of the dissertation a reproducibility critique of the dissertation and an alternative framework section that analyzes the dissertation from a modern theoretical perspective or methodological approach e.g. feminist theory liberation psychology mestiza consciousness etc The topics cover the breadth of the discipline of psychology including physiological cognitive developmental social and clinical Some topics are also relevant to business education medicine and social work The varying nature of these dissertations allows the book to be used to augment coursework either as a complete collection or as individual chapters This volume is intended for both instructors and students The course activities provide examples of how to integrate key aspects of the dissertation research into the classroom The volume was written with upper level undergraduate students in mind so that it could be used across the psychology curriculum but the editors envision this book as a potential graduate level text as well

The Co-operative College and a Century of Social Change Tom Woodin, Keith Vernon, Linda Shaw, 2025-02-24 This open access book explores the Co operative College s distinctive adult educational tradition over the past century as it provided education for co operative leaders employees and members in addition to developing a range of wider educational initiatives and ideas internationally The Co operative College is a British educational charity established in 1919 founded on co operative principles It played a crucial role in co operative education in the British Empire and subsequently in the independent nations In doing so it brought together vocational and liberal education as well as educating members as part of a movement that fostered significant social change It draws on original archival research at the National Co operative Archive in Manchester as well as other material at the National

Archives Bishopsgate Institute and the British Library Furthermore the rich archives of the National Co operative Archive allow for the development of a rich visual history of the movement to be explored **Politics, Piety, and Biomedicine** Jenny Schreiber,2017-04-15 The discourse on transplantation and brain death has become emblematic of conflicts between certain perspectives on adequate medical care death and dying Scientific and religious modernising and traditional as well as academic and popular voices debate on how to approach these topics This work captures the heterogeneous and often contradictory views on the Malaysian transplant venture and the treatment option of end stage organ failure from the Malay and Chinese population physicians state officials and Muslim Buddhist and Daoist clergy It also addresses vital issues as to the use of and extent to which biomedicine and medical technology in contemporary Malaysia actually benefits its people

Transcending Equality, Diversity and Inclusion at Work Marguerite L Weber,Hugo Gaggiotti,2024-06-07 The book reflects on ways of transcending Equality Diversity and Inclusion EDI by establishing a dialogue between the professional experience of the authors and experts from academia and practitioners from financial services and executive search The book emphasises the link and impact between what is taught and what is learned about EDI and how this reflects on later choices in career and workplace status The book offers a critical and global perspective emphasizing the multilocality and intersectionality dimension of diversity and unpicks key insights from different conceptualizations like class gender and postcolonialism and their relationship with the current paradigm of diversity and how people identify and communicate With an extensive collection of testimonies and invitations for reflection the book doesn t limit the analysis to the influences of historical power relations in the workplace but investigates at what stage multicultural power structures start developing a compulsory inclination to create differences and how this can influence hiring decision making and management in the workplace In the book academics and practitioners provide illumination and insights gleaned from their own personal experiences and perspectives Whilst the research targeted financial services and executive search the book s findings will appeal globally to individuals of all age groups regardless of educational status seniority or in which industry they are employed particularly those who are aware of how each one expresses similarity and differences sometimes in not obvious ways
