The Fantastic in Holocaust Literature and Film Judith B. Kerman,John Edgar Browning,2014-11-19 When reality becomes fantastic what literary effects will render it credible or comprehensible To respond meaningfully to the surreality of the Holocaust writers must produce works of moral and emotional complexity One way they have achieved this is through elements of fantasy Covering a range of theoretical perspectives this collection of essays explores the use of fantastic story telling in Holocaust literature and film Writers such as Jane Yolen and Art Spiegelman are discussed as well as the sci fi television series V 1983 Stephen King s novella Apt Pupil 1982 Guillermo del Toro s Pan s Labyrinth 2006 and Martin Scorsese s dark thriller Shutter Island 2010 *The Politics of Play* Aubrey Gabel,2025-10-15 Showing the political importance of play in postwar French literature In postwar France authors approached writing ludically placing rules and conditions on language and on the context of composition itself They eliminated e s and feminized texts they traveled according to strict rules and invented outright silly public personas The Politics of Play Oulipo and the Legacy of French Literary Ludics is a comprehensive examination of how and why French authors turned to these ludic methods to grapple with their political moment These writers were responding to a range of historical upheavals from the rise and fall of French feminist and Third Worldist groups to the aftermath of international socialism both at home in the former Parisian Belt and in France more broadly and abroad in post Yugoslavia Balkan states and elsewhere Juxtaposing an array of case studies and drawing on cross disciplinary methodologies Aubrey Gabel reads three generations of the formalist literary group Oulipo including Raymond Queneau Georges Perec and Jacques Jouet alongside writers not traditionally deemed ludic or sometimes not even conventionally known as novelists such as the lesbian activist writer Monique Wittig and the editor Fran ois Maspero Gabel argues that literary ludics serve as both an authorial strategy and a political form playful methods allow writers not only to represent history in code but also to intervene creatively as political actors in the fraught social fields of midcentury France and beyond **Strategies of Silence** Moy McCrory,Simon Heywood,2021-02-25 This unique book takes silence as its central concept and questions the range of meanings and values which inform the idea as it impinges on the creative process and its content and contexts The thematic core of silence allows a consideration of silencing and silence as opposite ends of a spectrum one shutting down the other enabling and opening up As a multidisciplinary collection of essays derived from the teaching and implementation of Creative Writing at university level the contributors consider silence as strategic both through the need for silence and as something which compels resistance They explore how writing has employed images and tropes of silence in the past and used silence and gaps technically In considering marginalised and forgotten voices this book shows how writers bring their diverse range of backgrounds and experience to work with and against silence in Creative Writing Studies The first theoretical work on silence in Creative Writing this field shifting book is

an essential read for both practitioners and students of Creative Writing at the higher education level **Haunting**

Legacies Gabriele Schwab, 2010-10-19 From mass murder to genocide slavery to colonial suppression acts of atrocity have lives that extend far beyond the horrific moment They engender trauma that echoes for generations in the experiences of those on both sides of the act Gabriele Schwab reads these legacies in a number of narratives primarily through the writing of postwar Germans and the descendants of Holocaust survivors She connects their work to earlier histories of slavery and colonialism and to more recent events such as South African Apartheid the practice of torture after 9 11 and the disappearances that occurred during South American dictatorships Schwab s texts include memoirs such as Ruth Kluger s *Still Alive* and Marguerite Duras s *La Douleur* second generation accounts by the children of Holocaust survivors such as Georges Perec s *W Art Spiegelman s Maus* and Philippe Grimbert s *Secret* and second generation recollections by Germans such as W G Sebald s *Austerlitz* Sabine Reichel s *What Did You Do in the War Daddy* and Ursula Duba s *Tales from a Child of the Enemy* She also incorporates her own reminiscences of growing up in postwar Germany mapping interlaced memories and histories as they interact in psychic life and cultural memory Schwab concludes with a bracing look at issues of responsibility reparation and forgiveness across the victim perpetrator divide **Narrative Machine** Zena

Meadowsong, 2018-11-20 **Narrative Machine** The Naturalist Modernist and Postmodernist Novel advances a new history of the novel identifying a crucial link between narrative innovation and the historical process of mechanization In the late nineteenth century the novel grapples with a new and increasingly acute problem In its attempt to represent the colossal power of modern machinery the steam driven machines of the Industrial Revolution the electrical machines of the modern city and the atomic and digital machines developed after the Second World War it encounters the limitations of traditional representative strategies Beginning in the naturalist novel the machine is typically portrayed as a mythic monster and though that monster represents a potentially horrific reality the superhuman power of mechanization it also disrupts the documentary objectives of narrative realism the dominant mode of nineteenth century fiction The mechanical monster realistic and yet at odds with traditional realist strategies tears the form of the novel apart In doing so it unleashes a series of innovations that disclose critique and contest the force of mechanization the innovations associated with literary naturalism modernism and postmodernism **Voices** Mathieu Copeland, 2009 Edited by Mathieu Copeland Clive Phillpot John Armleder
