PIG 05049, 2007 **PIG/PORK** Pía Spry-Marqués, 2017-07-13 Exploring the love hate relationship between humans and pigs through the lenses of archaeology biology history and gastronomy Pigs unite and divide people but why Pig Pork presents a close and affectionate look at the myriad causes underlying this singular multi millennial bond What is it that people in all four corners of the world find so fascinating about the pig When did the human obsession with pigs begin how did it develop through time and where is it heading Why are pigs so special to some of us but not to others Pig Pork sets out to answer these and other porcine related questions examining human pig interactions across the globe through time from the Palaeolithic to the present day The book dissects pig anatomy and behaviour and describes how this knowledge plays a major role in the advance of the agricultural and medical sciences among others The book also looks closely at the history of pig human interaction how they were domesticated and when how they affected human history through their diseases and how they have been involved in centuries of human conflicts with particular reference to the story of the Iberian Jews and Muslims at the time of the Inquisition The book goes on to look at how pigs characteristics and our relationship with them have combined to produce many of the world s great dishes All this is accompanied by a liberal peppering of pork recipes and the stories behind them along with facts wisdom and porker lore providing a thought provoking account of where our food comes from both historically and agriculturally and how this continues to influence many parts of our behaviour and culture

Aspiring to Inspiring Before Expiring Paul Chong, 2022-09-14 You would remember an old school poem What is life if full of care We have no time to stand stare which led on the author s mind to the notion of sharing caring in life Out of this thought this book is appropriately called *Aspiring to Inspiring before Expiring* With most books fiction or non fiction you d read continuously from beginning to end Here in this case you can pick choose to read with ease pleasure the articles over 600 of them on whatever interests you The titles of articles are presented in a non categorised manner independent complete by themselves individually The book is very readable easy to comprehend It can well be your personal bible a good travelling companion or indeed suitable as a gift for all occasions Collectively when they first appeared in Paul s blog <https://paulchong.net> they attracted over a million views and Paul has been acknowledged as a very inspiring blogger Readers will have both the leisure pleasure of savouring a wide range of subjects in love romance arts science facts fiction reminiscences presence greed creed economics politics fantasy reality nature venture spiritual secular life travel poems **Talk to Me** Paola Antonelli, 2011 Published in conjunction with an exhibition at The Museum of Modern Art *Talk to Me* thrives on an important late 20th century cultural development in design a shift from the centrality of function to that of meaning From this new perspective objects contain information that goes well beyond their immediate use or appearance providing access to complex systems and networks and acting as gateways and interpreters Whether openly and actively or in subtle subliminal ways things talk to us and designers write the initial script that lets us develop and improvise the dialogue *Talk to Me* focuses

on objects that involve direct interaction such as interfaces information systems communication devices and projects that establish a practical emotional or even sensual connection between their users and entities such as cities companies governmental institutions as well as other people The featured objects range in date from the early 1980s beginning with the first Graphic User Interface developed by Xerox Parc in 1981 with particular attention given to projects from the last five years and to several ones currently in development Included are a diverse array of examples from computer and machine interfaces to websites video games devices and tools and installations Organized thematically Talk to Me features essays by Paola Antonelli Jamer Hunt Alexandra Midel Kevin Slavin and Koi Vinh By introducing design practices that are becoming increasingly crucial to our world the book presents a highly distilled sample of today s best design production that uses technology in creative and unexpected ways showing how rich and deep design s influence will be on our future

The Nature of Value Nick Gogerty,2014-07-15 The Nature of Value presents a theory of how economic value functions and how it drives growth starting with tiny sparks of innovation and scaling all the way up to the full scope of the economy Nick Gogerty s exploration of value borrows from a wide array of disciplines including anthropology psychology physics sociology and ethics but most of all it examines how evolution s processes can help investors understand the economy and how investors can use this new understanding to improve their allocation decisions Starting with a look at how innovations can help firms succeed Gogerty looks at the economic niches in which firms compete and explores how firms can create defensive moats to enhance their chances of survival He shows allocators how to adjust their actions for best performance and returns and what to look for when assessing company management supporting his arguments with extensive data and years of practitioner experience from scientific social and economic disciplines Intuitive illustrations are used to illuminate central concepts and ideas Gogerty s practical takeaways couched in vivid explanations will help investors of all backgrounds gain fresh insight into market mechanics
