Discover introvert-friendly student income: online data entry during library study sessions, freelance writing from your dorm room, transcription work with headphones on, app testing that requires no human interaction, pet sitting for quiet companionship instead of crowds, overnight security positions with study time built in, independent research assistant roles, digital bookkeeping for small businesses, and automated online selling requiring minimal customer communication. Learn which platforms offer asynchronous work without video calls or constant messaging, how to set boundaries around interaction expectations and pricing strategies that don't require aggressive self-promotion. Our Best Work
Nilofer Merchant, 2026-02-24

How can we fix what we can't see? The norms crushing innovation and our joy are finally made visible. All 24 of them. In *Our Best Work*, Nilofer Merchant names the 24 invisible norms born of hierarchy, control, and a worn-out model of capitalism that limit us all. Along the way, she dismantles some of management's most beloved ideas: Servant Leadership, Personal Branding, Speaking Up, Performance Reviews, Move Fast and Break Things. These aren't just ideas that fall short; they are daily routines that trap us in the past. Merchant exposes how and why they fail us. But it's not enough to know the problem; we must also know how to move forward. She lights the path to the future by providing the 24 leading indicators that bring out the best of us and the best of us. Each chapter closes with a concrete practice so teams can turn insight into action. Ranked among the world's most influential management thinkers by Thinkers50, Merchant brings an unmatched range of experience from her start as an administrative assistant to shaping strategy at Apple and early-stage startups to serving on corporate boards. She has experienced the realities of power from every seat at the table across industries and around the globe. Her ideas have already reshaped companies and their futures. With this incisive take, Merchant offers a clear and collective path to do our best work, including: Unlocking the essential source of innovation, new and novel ideas; Replacing competition with trust; Creating the solutions of tomorrow, not just today's profits. If you're tired of self-help fixes or the latest fads, *Our Best Work* offers another way by changing the rules of work itself.
