*Pilates: Full-Body Workouts for a Stronger, Sexier You* Jasmine Evans,2012-07-30 ABOUT THE BOOK Pilates is a kind of exercise that works both the mind and the body It improves strength without necessarily building bulk It also targets the core midsection and other muscles that often get neglected by other activities My introduction to Pilates happened at an early age For most of my life I was considered tall for my age with long legs and big feet My parents thought it would be a good idea to enroll their lanky toddler in ballet classes I continued those classes and other dance classes for over 14 years In high school I was a lean 5 8 ballet dancer and basketball player I still had big feet but they were complemented by long legs long arms and a long neck What did I have to complain about My midsection I was relatively slim but I had a pudgy middle In high school where appearances are everything I wanted to do something about it Fortunately around this time my dance instructor introduced the class to the Pilates method She said that Pilates is based off of the ballet moves many of us had been doing for most of our lives She promised that the method would flatten our midsections and make us feel taller My dance instructor

made good on her promise After just 15 20 minutes of Pilates before we started dancing I felt taller Over time I felt slimmer I was hooked I ve been doing Pilates ever since and I love it I ve taken classes and I ve done several Pilates DVDs Of all the activities I participate in everything from running to basketball to kickboxing to Zumba Pilates is one that I always come back to because it is really so effective and important EXCERPT FROM THE BOOK Pull the part of your stomach area that is below your belly button upwards and inwards as if you are pulling it away from your belt line Keep your rib cage relaxed and breathe normally You should be able to feel the muscle contracting in your lower abdomen Another essential skill is being able to activate your pelvic floor Your pelvic floor muscles are at the base of your abdomen They control your bladder and bowel functions They also stabilize not only the pelvis but also the lower back If you have lower back pain are pregnant or experience incontinence learning how to control these pelvic floor muscles can really help How do you activate your pelvic floor Start in neutral spine position Contract the muscles you would use to urinate Breathe as you normally would Once you can handle activating your TA and your pelvic muscles separately try activating them together Ready for some advanced Pilates moves Great Here are six of the most common moves for experienced Pilates pupils Because sometimes it s easier to see the moves being done rather than reading about them many of the links in this section are to videos Advanced Pilates ExercisesThe Crab The Crab requires complete control from your core so it will give you a great ab workout It builds on exercises like the Roll Up but is slightly more advanced Start by sitting up straight Bend your knees almost Indian style and cross your feet at the ankles Bring your knees up to your shoulders and grab your feet with your hands Drop your head and allow your spine to curve as your prepare to roll Breathe in and roll back Control the movement Try not to let your limbs flail around Once you roll to your shoulders let go of your feet and switch your feet around Grab your feet again as you prepare to roll up Breathe out and roll forward Inhale as your head touches the mat Roll back to repeat the move Double Leg Kick This move works the back extensors and the hamstrings primarily but it can be a total body exercise as well Start by lying face down with your head turned to one side and your feet together

**Adoption For Dummies** Tracy L. Barr, Katrina Carlisle, 2011-04-22 You hear all sorts of things said or implied about adoption Some information comes from people who know a lot about it while some comes from people who don t know anything about it but make assumptions anyway Some comes from people whose experiences have been good some from those whose experiences have been bad The result Enough conflicting information to make your head spin So when everyone has an opinion and most of the books on the market deal with specific aspects on adoption or particular types of adoptions where do you turn to for reliable information Start with **Adoption For Dummies** The great thing about this guide is that you decide where to start and what to read It s a reference you can jump into and out of at will Just head to the table of contents or the index to find the information you want Each part of **Adoption For Dummies** covers a particular aspect of adoption including Answering the basic adoption questions How much does it cost Who s involved How long does it take What do I need to know that I don t know to ask And more Getting started

and figuring out what steps you have to take Dealing with birthmothers and birthfathers and why even though they may not be part of your life they're still important to you Confronting the issues adoptive families face issues from sharing the adoption story with your child to answering your child's questions about his birthparents to handling rude family members who treat your child differently than her cousins Finding help from books resources and support groups No adoption book at least no adoption book that you can carry around without a hydraulic lift can tell you everything there is to know about adoption What Adoption For Dummies tells you is what you need to know all in an easy to use reference

### **College**

**Admission Essays For Dummies** Geraldine Woods, 2011-06-15 The competition to get into your college of choice has never been fiercer Unfortunately much of the application process is out of your hands But one major aspect of the admission process is under your control your personal statement Your application essay provides you with the opportunity to let your true unique and totally irresistible self shine through College Admission Essays For Dummies is your total guide to crafting application essays that will make people sit up and take notice It demystifies the authority figures who'll judge your work helps you decide what to write and then arms you with the knowledge and skills you need to write your essay on time and on target Step by step it walks you through the entire essay writing process offering priceless tips on how to Choose the best topic tone and structure for your essay Capture the crucial stories that reveal who you are Avoid common pitfalls that can sabotage your application Overcome writer's block Know how to respond to unusual and off the wall essay questions Write successful short answers to specific application questions College admission guru Geraldine Woods punctures common myths about application essays and tells you what you absolutely must do to write a good one With the help of many inspiring and instructive killer essays she shows you how to Put yourself in the right mental state for writing well Gather ideas focus on a topic and choose the best structure for your essay Use topic sentences detail and strong introductions and conclusions Write a rough draft Show rather than tell your story Make sure your spelling and grammar are pitch perfect Create smooth transitions and avoid repetitions Your college application essay is your chance to show the committee that you're more than just a statistic Let College Admission Essays For Dummies show you how to write admit clinching college essays

### **Estate**

**Planning For Dummies** N. Brian Caverly, Jordan S. Simon, 2003-03-07 Planning for your family's future made easy If you're like most people you want to be sure that once you've passed on no more of your property and money will be lost to the government than is absolutely necessary You want to know that you'll be leaving your heirs your assets and not your debts You want to be absolutely certain that your will is ship shape your insurance policies are structured properly and that every conceivable hole in your estate plan has been filled And most of all you'd like to do all of this without driving yourself crazy trying to make sense of the complicated jargon jumble of paperwork and welter of state and federal laws involved in the estate planning process Written by two estate planning pros this simple easy to use guide takes the pain out of planning for your ultimate financial future In plain English the authors walk you step by step through everything you need to know to Put

your estate into order Minimize estate taxes Write a proper will Deal with probate Set up trusts Make sure your insurance policies are structured properly Plan for special situations like becoming incompetent and pet care Craft a solid estate plan and keep it up to date Don't leave the final disposition of your estate up to chance and the whims of bureaucrats Estate Planning For Dummies gives you the complete lowdown on Figuring out what you're really worth Mastering the basics of wills and probate Using will substitutes and dodging probate taxes Setting up protective trusts charitable trusts living trusts and more Making sense of state and federal inheritance taxes Avoiding the generation skipping transfer tax Minimizing all your estate related taxes Estate planning for family businesses Creating a comprehensive estate plan Straightforward reader friendly easy to use Estate Planning For Dummies is the ultimate guide to planning your family's future *The Pilates Powerhouse* Mari Winsor,1999 An exercise routine embraced by professional dancers for over fifty years Pilates is now the hottest and most talked about fitness trend since the running shoe The perfect blend of Yoga and Nautilus Pilates concentrates on building strength and flexibility improving coordination balance and posture and increasing stamina All Pilates movements are initiated by muscles in the abdominal area known as the powerhouse and are designed to work the smaller muscles that support larger ones while stretching and lengthening the entire muscular package A low impact yet highly intense workout Pilates is ideal for everyone young or old those who are extremely fit or out of shape as well as those who have chronic pain injuries or asthma Illustrated with over 100 black and white photographs The Pilates Powerhouse brings this time efficient and highly effective means to get and stay in shape into the home without the need for expensive classes and elaborate equipment Using only a mat a stick and for advanced Pilates a ball readers will feel personally trained by Mari Winsor's innovative routines and spirited instruction reaping the dramatic and lasting results of Pilates in less than an hour a day Guide to Life After 50, 60, 70 & Beyond for Dummies Dummies Press,Dummies Press Staff,2004 The fun and easy way to live life after 50 Filled with smart tips and secrets custom made for you This book covers virtually everything from health to money travel and more Pilates Body in Motion Alycea Ungaro,2002-02-20 Pilates Body in Motion is a pioneering step by step book for mat based Pilates A global best seller famed for its clear instruction and innovative design Pilates Body in Motion clearly explains every exercise sequence with at a glance overviews detailed step by step photographs and a checklist of dos and don'ts Author Alycea Ungaro pioneered mat based Pilates and lends her expert advice to help you avoid injury and maximize Pilates fitness and health benefits Four program sequences allow you to move from beginner to intermediate to advanced and cover fifty mat based exercises from The Hundred to The Wall Sequence the Open Leg Rocker and Corkscrew to the Swan Dive Shoulder Bridge Magic Circle Sequence and many more Streamline your body and focus your mind with 50 classic mat Pilates exercises to do at home with Pilates Body in Motion *Menopause For Dummies* Marcia L. Jones,Theresa Eichenwald,2002-11-15 As baby boomers hit their late forties and fifties women are entering menopause in record numbers Soon for the first time in history there will be more women beyond menopause than have yet

to go through it Yet amazingly getting reliable practical information about menopause isn't easy Usually the only information you're likely to find is in the glossy brochures from pharmaceutical companies scattered around your gynecologist's waiting room If you're really persistent you can hunt down an article or two in medical journals but it's a safe bet that you'll be sound asleep long before you find straightforward answers even to one of your practical questions Whether you're going through the change have already been there or are about to start off down that road you'll find the information you need in **Menopause For Dummies** In plain English it covers all the health issues and therapy choices that confront women during the menopausal years It helps you Put menopause in perspective Understand how it can affect your body emotions and libido Evaluate your risk of disease Know all your therapy options Make sense of the hormone therapy debate Ask intelligent questions and discuss your alternatives with your doctor Make smarter life style choices Live a long healthy life **Menopause For Dummies** gives you accurate up to date information from the most credible sources including the latest medical studies without a lot of technical jargon You get straightforward advice and guidance on Recognizing the signs of menopause Preventing and treating osteoporosis Cardiovascular disease and menopause Vaginal and urinary changes during menopause The effects of menopause on your skin hair and nasal cavities Menopause and your sex life Hormone therapy and heart disease breast cancer and other cancers Alternative therapies Menopause and good nutrition The benefits of exercise during menopause Menopause is not a disease and it doesn't have to be a harbinger of accelerated aging and declining health **Menopause For Dummies** gives you the information you need to take charge of your menopause and make this transition as comfortable and healthy as possible

**Migraines For Dummies** Diane Stafford, Jennifer Shoquist, 2003-01-31 If you get migraines you know how laughable it is to hear them described as headaches As one poet put it the migraine is a beast from Hell a bone crushing brain twisting heart rending apocalyptic scourge an insult to all that's holy And that's putting it mildly People have been trying to tame the migraine beast for thousands of years Some early healers bored holes into their patients skulls the Greeks inhaled the smoke of burning coffee beans while in ancient Egypt doctors tied herb stuffed clay crocodiles to migraine sufferer's heads Fortunately we live in more enlightened times and there are now medically sound approaches that are relatively simple and inexpensive and they don't leave scars or involve extreme fashion statements Your complete guide to taking charge of your migraines and getting your life back **Migraines For Dummies** offers a focused fleshed out program that works in the real world This friendly guide fills you in on what you need to know to Understand migraines and why you get them Relieve symptoms Pinpoint pain triggers Sort through the various medications Evaluate alternative remedies Make simple migraine busting lifestyle changes Stop migraines from disrupting your family and work lives Find a good doctor to help you manage the beast The authors look at the whole spectrum of the problem from dealing with the number one issue of pain relief to handling the peripheral problems like absences from work skepticism from friends and impact on family They also explore a range of critical related issues including Different types of migraines including

abdominal ocular hemiplegic ophthalmoplegic and women's hormonal migraines Triggers such as environmental allergens stress dietary triggers and even exercises that can cause migraines Over the counter medications vitamins and herbal supplements Biofeedback meditation massage acupuncture and other alternative remedies The pros and cons of prescription remedies including ergotamine derivatives antidepressants nonsteroidal anti-inflammatory drugs botox and more You've tried Aunt Edna's camphor soaked head cloths Now explore a sensible medically sound approach and get on the road to full fledged pain relief with *Migraines For Dummies*

**Filmmaking For Dummies** Bryan Michael Stoller, 2003-08-08 Film is a powerful medium Successful filmmakers possess the passion to visually tell a story that will affect people's emotions make them see things differently help them discover new ideas or just create an escape for them Whether you love the experience of being enthralled by movies or the excitement challenge and magic of making the movie yourself *Filmmaking For Dummies* is your primer to creating a respectable product For the seasoned professional this friendly reference can inspire you with fresh ideas before you embark on your next big flick Get ready to roll with expert information on Defining the difference between independent and studio films Knowing what genre fits your fancy Finding perfect locations Storyboarding your film Directing the action Giving credit and titles Written from the author's 30 years of hands on work as a writer producer and film director *Filmmaking For Dummies* carries you through from screenplay to distribution with lots of experience packed insight into Writing or finding a screenplay Raising financing for your film Budgeting and scheduling your film Hiring the right actors and crew Planning shooting and directing your film Putting your film together in the editing room Finding a distributor to get your film in front of an audience Entering and maybe even winning film festivals Taking into account the advent of digital technology author Bryan Michael Stoller focuses on creative elements that apply to both film and video production He also points out technical differences and notes the many similarities between traditional and newer age making of motion pictures all in a fun and engaging way that'll have you shooting for the stars
