The Celestial Church of Christ Pandora Bernard Olu Ayodele Soetan, 2001

**Rain of Fire** Frequency Revelator, 2019-11-16 It is of paramount significance to point out the truth that in many Charismatic circles across the globe the doctrine of deliverance is one of the most controversial and confusing subjects that Christians have ever encountered This is a typical scenario especially in today's modern era whereby deliverance ministers and ministries are mushrooming across the globe with many assuming titles as Specialists of Deliverance The most overworked Christian vocabulary in the Body of Christ across the globe today is the word Deliverance as it is trending and shaping every sphere of spiritual endeavour for many churches It appears that the idea of deliverance has created a lot of hype in which some believers have branded their churches as deliverance ministries while others have opted to advertising their ministries on

television and other forms of media inviting the masses to come to their special deliverance classes As a consequence many at times venture into the deliverance ministry with barely any knowledge of what they are doing culminating in unsuccessful deliverances disappointments and frustrations as people walk away still in bondage because the deliverance minister did not understand the root problem of the person in need of deliverance Extremes of both doctrine and practices in deliverance are highly attributable to a lack of revelation knowledge of the Word of God on the subject as many are completely lost as to how to effectively conduct deliverance This book is therefore a means to dispel the myths and misconceptions centred on the doctrine of deliverance and to point out errors in current practices among the so called deliverance ministers so that you have a deeper revelation of how to conduct Bible Based deliverance It suffices to mention that contrary to current practice the ministry of deliverance was never intended to be a separate entity in the Body of Christ by itself Nor was it initially designed for those who have somehow attained a stratospheric pinnacle of enlightenment in matters of the spirit Instead it was designed to flow hand in hand with all the other aspects of the teaching prophetic and healing ministry Its isolation as a super special ministry has led to imbalance and sometimes demon consciousness resulting in people opening themselves up to more demonic attacks as opposed to freedom Through this book we seek to restore the consciousness of God and of the authority that God has given us as believers in conducting deliverance This topical compendium is a buffet of divine truths served up with a dish of provocative revelations of God s word which are seasoned with barbs of prophetic spices and delicacies of revelatory flow on spiritual warfare The title of the book The Rain Of Fire is derived from the character of manifestation of God as a Consuming Fire that burns melts and infiltrates the demonic realm with flashes of lightning coupled with a pounding booming and rumbling sound of thunder exploding in the atmosphere and shaking the demonic kingdom In John the Revelator s apocalyptic vision there are three unusual sounds coupled with fire proceeding out of the throne of God It is for this reason that this book has been titled The Rain Of Fire as it befits the manner in which we deal severely with demonic spirits Against this backdrop this treatise will furnish you with insight tools and weapons to wage an effective tactical and strategic warfare against forces of darkness as you pursue your God designed and God intended destiny This book is therefore a deliverance weapon in your hand that will equip and empower you with revelation knowledge on the art of spiritual warfare so that you are able to decisively deal with the whims and vagaries of the enemy and set the masses free from the debilitating life circumstances of poverty sickness and limitation in progress that have imprisoned God s people for ages

*HEALING THROUGH DELIVERANCE* PETER HORROBIN.,2008 **The Biblical Guidebook to Deliverance** Randy Clark,2015-04-07 ACCESS GOD S SUPERNATURAL POWER AND AUTHORITY TO DEFEAT THE DEVIL Many people are unconsciously living in bondage Marriages are failing drugs are rampant pornography is everywhere and even Christians have given up on God the church and themselves The Biblical Guidebook to Deliverance provides you with the supernatural power and authority to fight your battles and be free from oppression Full of scriptural yet practical teaching this book will help you learn how deliverance was part of Jesus s ministry in the New Testament and how you have access to the same power enabling you to live free from the chains of sin No matter what situation you are going through God will give you His grace so that you can rejoice in freedom and live in the fullness of life that He intends for you *A Deliverance Training Manual* Neville Salvetti,2012-04-21 This book is the result of 10 years doing deliverance on the Internet so is proven by practice It deals with associated matters of deliverance as well as the Five Steps I was shown as the key to deliverance and fighting Satan This presents a simple way of fighting Satan and doing deliverance so that no one has really any excuse for not fighting Satan or doing deliverance It is based on the Lordship of Christ and our position in the Kingdom of God The principles stated in this book has changed the life of many and I believe will change your life if you honestly evaluate them

**Deliverance** Franklin D. Battle, Sr.,2016-09-19 Deliverance as stated by Jesus Himself in Matthew 15 26 is only for the children of God It is a part of our birthright and covenant as New Testament believers Deliverance is available to all believers who will come into agreement with this truth It represents our freedom from demonic spirits their influences and control over our lives Most born again Christians do not believe that they can have spirits in them They think that at the time of salvation they have been released from demonic spirits and their activities that is far from the truth and is a lie from Satan himself to keep us ignorant Jesus spent a lot of his earthly ministry casting out demons so why not the church Satan does not want us to grab a hold of this truth because he does not want us to be free from him and his demons With every aspect of the word of God it requires belief and agreement Jesus paid for our freedom with His life but we have to go through the deliverance process and walk in it Franklin D Battle Sr is a renowned prophet motivational speaker an expert on the supernatural educator and influential voice in ministry He is the founder and president of Jesus Christ Ministries Inc located in Jonesboro Georgia He has ministered deliverance for over thirty five years In recent years Dr Battle s ministry has
