**Colleen Stan: The Simple Gifts of Life** Jim B. Green, 2009-03-02 Throughout my captivity I was never told what was going to happen next or why This lack of knowledge was used by Master to maintain a continuous element of fear and control over me Anytime I was taken out of the box I never knew what to expect Fear of the unknown was always with me as I was kept in the dark both physically and mentally This lack of knowledge may have been a good thing in one sense If I had known the length of my entombment after returning from Riverside I m not sure I would have survived Of course I m not sure even Master knew how long he was going to keep me in the box A few days passed then a few more Then weeks passed followed by months Months slowly turned into years I would spend the next three years of my life 1981 1984 in the box sleeping dreaming and praying I have to assume my lengthy confinement in the box came about because Master was concerned he had given me too much freedom Maybe he felt he was losing control of his slave Too many neighbors had seen me and questions about my status in the Hooker household were surely to arise A fast thinking family member in Riverside may have copied down his vehicle tag number What if the police knocked on his door one day looking for Colleen Stan What if they searched the mobile home Would anyone think to look under a waterbed for the girl in the box Master wanted to keep me out of sight until the heat had passed The other reason for putting me into storage was Ma am I m sure she wanted me out of her life out of her children s lives and out of her husband s life Master was not ready to let his slave go Cloistering was the only answer My daily routine soon became predictive as I was allowed out late in the evening after the girls had gone to bed I emptied my bedpan drank a large glass of water and ate cold leftovers in the front bathroom Sometimes the leftovers were true leftovers that had been out all day and the family didn t want
