**Created and Creating** William Edgar, 2017-03-16 The gospel of Jesus Christ is always situated within a particular cultural context but how should Christians approach the complex relationship between their faith and the surrounding culture Should we simply retreat from culture Should we embrace our cultural practices and mindset How important is it for us to be engaged with our culture and mindset How might we do that with discernment and faithfulness William Edgar offers a biblical theology in the light of our contemporary culture that contends that Christians should and indeed must engage with the surrounding culture By exploring what Scripture has to say about the role of culture and glean insights from a variety of theologians including Abraham Kuyper T S Eliot H Richard Niebuhr and C S Lewis Edgar contends that cultural engagement is a fundamental aspect of human existence He does not shy away from those passages that emphasize the distinction between Christians and the world Yet he finds shining through the biblical witness evidence that supports a robust defence of the cultural mandate to be fruitful and multiply and fill the earth and subdue it Genesis 1:28 With clarity and wisdom Edgar argues that we are most faithful to our calling as God's creatures when we participate in creating culture

Sexual Transgression in the Hebrew Bible Hilary B. Lipka, 2006 The sex laws of the Hebrew Bible are well known if not notorious From them many have concluded that in ancient Israel adultery was a capital crime that there was no conception of rape that brides had to be virgins and that women had no autonomy whatsoever But was that the reality Not if we broaden our horizon beyond the laws argues Lipka who focusses here on sexual transgression that is the trespass against sexual boundaries She finds three aspects of sexual transgression it may be transgression against religious boundaries sexual acts violating divine law against communal boundaries sexual acts violating the rights of another member of the community or against personal boundaries sexual acts imposed by force and or violence Transgressive sex is complicated But some conclusions are possible 1 Though adultery was universally disapproved of there was a wide variety of opinions on who was considered guilty who was considered the offended party who was punished what the punishment was and who should execute it 2 There was indeed a conception of rape with an understanding of its devastating emotional and psychological consequences for the victim 3 Though virginity in brides was the norm and young women were under a great deal of pressure to preserve their virginity it was unrealistic for all men in ancient Israel to expect their wives to be virgins 4 Women did not enjoy legal autonomy over their sexuality yet they were not completely powerless they had some degree of personal sexual autonomy and some took the liberty of doing with their bodies as they pleased A Severe Mercy Mark J. Boda, 2009 The biblical theological approach Boda takes in this work is canonical thematic tracing the presentation of the theology of sin and its remedy in the canonical form and shape of the Old Testament The hermeneutical foundations for this enterprise have been laid by others in past decades especially by Brevard Childs in his groundbreaking work But A Severe Mercy also reflects recent approaches to integrating biblical understanding with other methodologies in addition to Childs's Thus it enters the imaginative space of the ancient canon of the Old Testament in order to highlight the word views and literary shapes of the texts taken individually and as a whole collection For the literary shape of the individual texts it places the word views of the dominant expressions and images as well as various passages in the larger context of the biblical books in which they are found For the literary shape of the texts as a collection it identifies key subthemes and traces their development through the Old Testament canon The breadth of Boda's study is both challenging and courageous resulting in the first comprehensive examination of the topic in the 21st century **Science and the Spirit**

James K. A. Smith, Amos Yong, 2010 What might be described as a Pentecostal worldview has become a powerful cultural phenomenon but it is often at odds with modernity and globalization Science and the Spirit confronts questions of spirituality in the face of contemporary science The essays in this volume illustrate how Pentecostalism can usefully engage with technology and scientific discovery and consider what might be distinctive about a Pentecostal dialogue with the sciences The authors conclude that Pentecostals with their unique perspectives on spirituality can contribute new insights for a productive interaction between theology and science *TwentySomeone* Craig Dunham, Doug Serven, 2003-12-16 Live Strategically The decade of your twenties is full of important stressful maddening questions What will I do Who will I love Where will I live But maybe there s a bigger question Who am I The fact is the period of time between your teens and thirties will shape a lot of your character your calling and your view of the world Authors Craig Dunham and Doug Serven recent graduates of their twenties explain that the difference between a twentysomething and *TwentySomeone* has to do with the questions we ask Instead of asking What will I do twentysomeones need to ask Who am I the real question of the twenties Full of personal experience and practical wisdom *TwentySomeone* helps you make the most of your twenties while giving you the skills to handle common life experiences like singlehood first jobs getting married having kids and buying stuff This is a guidebook that will help you discover who God is calling you to be *Christian Scholar's Review*, 2007 *Elenchus of Biblica* Maria J. Schoenmaeckers, Robert Althann, 2004-12-20 Le 23 novembre 1964 jour de la promulgation de *Lumen Gentium* la constitution dogmatique sur l Eglise marque un evenement c est la premiere fois dans l histoire de l Eglise qu une assemblee de la Sainte Eglise s exprime solennellement sur la vie consacree Le sixieme chapitre de la constitution traite de la signification et de l essence de la vie religieuse la reliant au mystere de l Eglise peuple de Dieu Ce texte conciliaire presente la vie religieuse comme un etat canonique celui du chretien qui tend dans un institut de perfection a la charite parfaite et consacre sa vie a Dieu et aux hommes ppar la profession des conseils evangeliques de chastete pauvrete et obeissance De toute evidence cette declaration doctrinale est importante pour l Eglise et pour le developpement de la vie consacree dans l Eglise En lisant *Lumen Gentium* on est assez vite frappe par le debut abrupt du sixieme chapitre sur les religieux car tous les autres chapitres s ouvrent par une breve introduction Cependant on ne peut deracher ce chapitre de ce que a ete dit precedemment sur la vocation universelle a la saintete En fait l histoire du texte fait clairement ressortir le lien qui unit ces chapitres *Journal of Biblical Literature*, 2007
