Penthouse ,1974 **Tackling Rape Culture: Ending Patriarchy** Jan Jordan,2022-07-08 In Tackling Rape Culture Ending Patriarchy Jan Jordan asks why despite decades of feminist activism does rape culture remain so endemic within contemporary society She argues that in order to understand the global pandemic of sexual violence we must view rape culture as a consequence of the social divisiveness that emerges from the logic of patriarchy In advancing this argument Jordan offers a comprehensive indictment of the patriarchal system while recognising also women s efforts to resist its edicts Jordan critically explores two mechanisms that she argues are central to the maintenance and reproduction of rape culture silencing and objectification Both are examined as patriarchal strategies that have been relied on for centuries to control and constrain women s lives silencing their voices and keeping them as othered outsiders in a male defined world Women throughout history have sought ways to resist such control and since the second wave women s movement of the 1970s this has included multiple initiatives both offline and more recently online While MeToo is being hailed by many as evidence that the silencing of women s voices about rape has finally been broken Jordan urges a more critical appraisal given the continued dominance of patriarchal thinking To end rape culture Jordan argues we must end patriarchy This timely and provocative book which complements Jordan s Women Rape and Justice Unravelling the Rape Conundrum Routledge 2022 will be of great interest to researchers students practitioners and activists seeking to understand and challenge the pervasive rape culture characterising contemporary patriarchal society *New York* ,1972-11-27 *New York* magazine was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating *New York* as both a place and an idea [New York Court of Appeals.
