

# Why Invest in Index Funds?

*Investing in index funds might not seem all that exciting, but that's the point. It gives you broad exposure to a market/asset that will help ensure your wealth grows over time.*

**Key point:** Investing in index funds gives you the benefits of investment returns of the stock or other market without taking on the individual company risk and having to pay trading commissions related to individual stocks.

*Investing Online For Dummies* Matthew Krantz, 2008-01-07 Investors are becoming a lot more independent these days. With the stock market sinking and soaring from day to day, retirement plans becoming less certain and a longer life expectancy in retirement, more people are looking for some control over their investments. If you're one of them, *Investing Online For Dummies* 6th Edition might be just what you're looking for. The Internet brings a world of investment resources to your desktop, but how do you find your way through the dizzying array of investment possibilities? The Dummies Way, of course. This book helps you set reasonable expectations, assess your risk tolerance, choose an asset allocation, analyze and select investments, and maximize your financial success. You'll discover how to determine how much you can afford to invest, choose an online broker, research, trade, and track investments online, measure the potential return of a stock, maximize your investment knowledge, and build a profitable portfolio. Buy bonds online, understand options, commodities, and IPOs. If you've decided to take control of your investments but don't want to make it your full-time job, *Investing Online For Dummies* 6th Edition gives you the important information that will also give you confidence. Completely updated to cover all the new online tools and resources, it even provides some bonus assistance on the companion Web site. [Online Investing For Dummies](#)

Matthew Krantz, 2019-08-27 Build a winning portfolio and reduce your risk with this bestselling guide. Online investing has never been easier or more potentially confusing. Now that every broker or finance site has its own app, data, or approach, it can be all too easy to be misled and make a bad decision. *Online Investing for Dummies* helps you reduce risk and separate the gimmicks from the gold, pointing investors of all experience levels to the pro tips, calculators, databases, useful sites, and peer communities that will lead to success. Updated to include information on mobile trading and the influence of social media on the markets, the book also covers the basics, showing you how to figure out how much to invest, find data online, and pick an online broker. It then progresses through to more advanced topics such as calculating returns, selecting mutual funds, buying bonds, options, commodities, and IPOs, taking you and your money wherever you want to go in the global market. Set expectations and assess your risk. Analyze stocks and financial statements. Assemble the suite of tools to calculate your performance. Get tips on choosing the right online broker and on protecting your information online. It's time to get a pro strategy, and *Online Investing for Dummies* has all the inside information you need to build up that winning portfolio.
