## **British Computer Society Code of conduct**

---

The British Computer Society (BCS) is the British national body for IT professionals. As a professional body the BCS has a responsibility to set rules and professional standards to direct the behavior of its members in professional matters. The BCS Code of Conduct describes standards of practice relating to the various multifaceted demands found in information technology (IT). It is intended to help you a member of the BCS by providing a framework of guidance into which your particular needs can be fitted. Members are expected to exercise their own judgment to meet the requirements of the code and seek advice if in doubt.

### **The BCS Code of conduct**
