Getting Closer To Allah:

It's easy to get closer to Allah Rahil,2023-09-05 It s easy to get closer to Allah is the result of the thoughts that keep lingering in the dreams of the author of this book This book is authorized by rahil Rahil Showkat the book has been written in a simple and easy to understand vocabulary So that everyone will be able to read it with ease and won t find any difficulty with words This book is dedicated to a soul who once was depraved and lost the path but at the end of the day found his her true happiness with Allah swt *The Interpretation of The Meaning of The Hadith Volume 4 - Virtues of The Holy Quran* Nasoha Bin Saabin, I believe there is a great need in the whole world for the correct interpretation of the Holy Quran and Hadith to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran and Hadith among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran and Hadith With the grace of Allah I have completed the interpretation of the Holy Quran with 84 books and Hadith with 7 books The series of the interpretation of the hadith consist of 7 books that are Virtues of Tabligh or Dakwah Virtues of Solat Virtues of Solat Tahajud Virtues of The Holy Quran Virtues of Charity Virtues of Ramadhan and Virtues of Pilgrimage Among all the 7 above orders of Allah the first 5 books focus on the order of Allah that should be done daily fasting should be done in the month of Ramadhan every year and pilgrimige to Mekah should be done once in a lifetime for those who are able to do it financially healthy and safely and all these orders are to be done in the way of Prophet Muhammad saw and with the intention to please Allah Besides the 84 books on the interpretation of the Holy Quran these 7 books of Hadith should be read daily in every mosque and in every house in the whole entire world in order to have the correct mindset on the orders of Allah and when the mankind will practice all the orders of Allah what has been mentioned in the Holy Quran and Hadith in the way shown by Prophet Muhammad saw and with the intention to please Allah only then the entire mankind will have the correct belief in Allah and in the orders of Allah When the entire mankind have the correct belief and mindset towards Allah and the orders of Allah only then the entire mankind will have the correct actions or deeds When the entire mankind will have the correct deeds only then the entire mankind in this world will be able to live with peace and happiness in this world and the hereafter Prof Nasoha Bin Saabin **The Interpretation of The Meaning of The Holy Quran Volume 13 - Surah Al-Maidah verse 1 to 60** Nasoha Bin Saabin, I have written many books and articles on various topics but since

2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin *Explanation of the Four Fundamental Principles of Shirk* Abu Ammaar, This book is based on the lectures of Shaykh Abu Zaid Zameer Allah protect him who provides a detailed explanation of the four fundamental principles of shirk based on the renowned book written by Shaykh Muhammad ibn Abdul Wahhab Allah have mercy on him The Shaykh meticulously explains the concepts laid out in this classic text shedding light on the various forms of shirk and emphasizing the importance of preserving pure Tawheed monotheism in every aspect of life Through his clear and accessible approach Shaykh Abu Zaid Zameer offers valuable guidance on avoiding the pitfalls of shirk and understanding the core principles of Islamic creed This work is essential for anyone seeking to deepen their understanding of Islamic theology and safeguard their faith [Drawing Closer to Allah and His Prophet: A Practical Guide](#) Dr Abdul Qader Ismail, 2022-09-11 In the busy lives we live as modern day Muslims in mostly secular countries how can we stop our religion becoming a ritualistic hobby This book provides the means by which thoughts and behaviours relating to the following fundamental aspects of religion can be changed Purity of self avoiding sins Reciting the Qur an and praying Salah Following the Sunnah and sending peace and blessings upon the Prophet peace be upon him Fasting and giving charity Accepting the Divine Decree Each chapter introduces the topic using Qur anic verses and Prophetic Hadith followed by practical advice on how to act upon these with space to record your progress Sincere engagement with this process will help you develop lifelong habits of practicing your faith understanding why you are doing what you are doing The final goal Drawing closer to Allah and His Prophet peace be upon him *The Key To Getting Closer To Allah(SWT)* Ijaj Seikh, 2023-12-31 In modern times especially for those of us born into Muslim families religion becomes a ritualistic hobby We follow customs perform acts and recite prayers without understanding the significance of what we are doing We attend

religious gatherings but what we hear does not translate into strengthening our faith or changing our behaviour Practicing this kind of superficial Islam means we fail to receive the full blessings of Islam and are more likely to neglect our faith and move further away from Allah in times of difficulty or when we are busy with worldly matters Furthermore if we do not practice the faith with understanding what example are we setting others especially non Muslims What will we be able to teach our children The purpose of this book is to provide you the means of changing your thoughts and behaviour regarding some of the most fundamental aspects of our religion Each chapter introduces a topic using the Qur'an and Hadith followed by practical advice on how to act upon this recording your daily weekly monthly progress in the space provided Sincere engagement with this process will help you develop lifelong habits of practicing your faith understanding why you are doing what you are doing Each chapter is independent of the others therefore the book does not need to be read in any specific order However I would advise you to focus on one chapter at a time and try not to do too much too soon since you are likely to overburden yourself and disengage with the process Remember the words of the Prophet peace be upon him Take up good deeds only as much as you are able for the best deeds are those done regularly even if they are few Use this book with the firm intention to better yourself in the hope of pleasing and drawing closer to Allah and His Prophet peace be upon him Certainly Allah will help you He who draws close to Me a hand's span I will draw close to him an arm's length And whoever draws near Me an arm's length I will draw near him a fathom's length And whoever comes to Me walking I will go to him running
