Grease Play Script For Primary School :

Sex, Drugs, Rock & Roll, and Musicals Scott Miller,2011 An endlessly entertaining and informative look at how musicals have both reflected and adapted to America's changing mores Children, Childhood, and Musical Theater Donelle Ruwe,James Leve,2020-02-19 Bringing together scholars from musicology literature childhood studies and theater this volume examines the ways in which children's musicals tap into adult nostalgia for childhood while appealing to the needs and consumer potential of the child The contributors take up a wide range of musicals including works inspired by the books of children's authors such as Roald Dahl P L Travers and Francis Hodgson Burnett created by Rodgers and Hammerstein Lionel Bart and other leading lights of musical theater or conceived for a cast made up entirely of children The collection examines musicals that propagate or complicate normative attitudes regarding what childhood is or should be It also considers the child performer in movie musicals as well as in professional and amateur stage musicals This far ranging collection highlights the special place that musical theater occupies in the imaginations and lives of children as well as adults The collection comes at a time of increased importance of musical theater in the lives of children and young adults Happy Days Benjamin L. Alpers,2024-01-12 After the techno futurism of the 1950s and the utopian 1960s vision of a great society the 1970s saw Americans turning to the past as a source for both nostalgic escapism and serious reflection on the nation's history While some popular works like *Grease* presented the relatively recent past as a more innocent time far away from the nation's post Vietnam post Watergate malaise others like *Roots* used America's bicentennial as an occasion for deep soul searching *Happy Days* investigates how 1970s popular culture was obsessed with America's past but often offered radically different interpretations of the same historical events and icons Even the figure of the greaser once an icon of juvenile delinquency was made family friendly by Henry Winkler's Fonzie at the same time that he was being appropriated in more threatening ways by punk and gay subcultures The cultural historian Benjamin Alpers discovers similar levels of ambivalence toward the past in 1970s neo noir films representations of America's founding and neo slave narratives by Alex Haley and Octavia Butler By exploring how Americans used the 1970s to construct divergent representations of their shared history he identifies it as a pivotal moment in the nation's ideological fracturing **Uncle John's Great Big Bathroom Reader** Bathroom Readers' Institute,2012-11-01 One of Uncle John's all time biggest sellers *Great Big* is overflowing with everything our fans have come to expect urban legends forgotten history myth conceptions business blunders strange lawsuits weird politics amazing origins dumb crooks celebrity gossip brain teasers short facts and more Divided by length into short medium and long articles *Great Big* is sure to be a hit with readers of all ages A few standouts from these 460 pages The first computer programmers Weird medical conditions Brits Vs Americans a word quiz Strange tourist attractions The origin of the White House The world's second dumbest outlaw The Tonight Show story The forgotten hero of flagpole sitting Why popcorn pops And much much more *The Playbill* ,1978 **Broadway Nation** David Armstrong,2025-08-21 A lively

cultural history of the Broadway Musical that for the first time explores and reveals how this uniquely American art form was created almost exclusively by people who were marginalized from almost all other aspects of mainstream society especially Immigrant Jewish Queer African American and female artists

Off Broadway Musicals, 1910-2007 Dan Dietz, 2010-03-10 Despite an often unfair reputation as being less popular less successful or less refined than their bona fide Broadway counterparts Off Broadway musicals deserve their share of critical acclaim and study A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs from the ever popular A Chorus Line and Rent to more off beat productions like Avenue Q and Little Shop of Horrors And while it remains to be seen if other popular Off Broadway shows like Stomp Blue Man Group and Altar Boyz will make it to the larger Broadway theaters their Off Broadway runs have been enormously successful in their own right This book discusses more than 1 800 Off Broadway Off Off Broadway showcase and workshop musical productions It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal selected musicals that opened in Brooklyn and in New Jersey and American operas that opened in New York along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan The typical entry includes the name of the host theater or theaters the opening date and number of performances the production s cast and creative team a list of songs a brief plot synopsis and general comments and reviews from the New York critics Besides the individual entries the book also includes a preface a bibliography and 21 appendices including a discography filmography a list of published scripts and lists of musicals categorized by topic and composer
