

# Pelmanism Instructions

The word pelmanism is associated with memory. This game is often called pairs for pelmanism or a shell game, as memory is required to locate the cards that have been turned over.

It is important that the cards are put back in their original place when they are turned over. Simply turn them over in their place without moving them to avoid confusion. This game helps children to develop memory skills and mathematical skills.

This pack contains individual sets of 1 game (1 of numbers and their matching visual representations) to make a game that can be played by any number and needs a surface that each set of 1 game needs a total of 7 cards. The sets need to be printed on different colours to avoid getting them mixed up.

To Play

1. Place all cards face down either in a random pattern or a non-exposed grid.

2. The first player turns 1 card over in their place and checks to see if they match.

3. If the cards match they take the pair and try again.

4. If they do not match the next player turns.

5. The game continues until all the cards are paired.

6. The winner is the player with the most pairs.

Other activities

It is possible to use the cards for matching ordering activities as well.
