

PLATO

SYMPOSIUM

Translated,
with Introduction
& Notes, by

ALEXANDER NEHAMAS

&

PAUL WOODRUFF

Plato Symposium Hackett Classics

Plato

Plato Symposium Hackett Classics:

Symposium Plato,1989 A model of the kind of text one needs for lecture courses the translation is extremely readable and made even more accessible by intelligent printing decisions on dividing the text spacing for clarification etc the notes are kept to a minimum but appear when they are really needed for comprehension and are truly informative And the introduction admirably presents both basic information and a sense of current scholarly opinion S G Nugent Princeton University

Plato on Love Plato,2006-06-15 This collection features Plato s writings on sex and love in the preeminent translations of Stanley Lombardo Paul Woodruff and Alexander Nehamas D S Hutchinson and C D C Reeve Reeve s Introduction provides a wealth of historical information about Plato and Socrates and the sexual norms of classical Athens His introductory essay looks closely at the dialogues themselves and includes the following sections Socrates and the Art of Love Socrates and Athenian Pederastia Loving Socrates Love and the Ascent to the Beautiful The Art and Psychology of Love Explained and Writing about Love

Symposium Plato,2020-05-22 Plato 428 347 B C is one of the founding fathers of Philosophy His work *Symposium* is a philosophical dialog between notable men of Greek history It is considered both a philosophical and literary classic Women in the Socratic Tradition Carolina Araújo,2025-08-21 Socrates represents an important turning point not only in the history of philosophy but also in the morality of gender inequality for he advanced the unprecedented thesis that the virtue of men and women is the same The arguments supporting such a thesis however are controversial different authors understand Socrates legacy differently the arguments do not necessarily account for the universality implied in the thesis and in challenging conventions Socratic literature tends to blur gender distinctions Be that as it may these sources undeniably present women as exemplars of the philosophical life This volume brings together a group of highly qualified scholars to provide a careful analysis of this evidence and a detailed assessment of the Socratic debate on gender divided into three sections Socratic Women Socratics on Women and Socratic Philosophy as a Woman It sheds light on a topic rarely explored in scholarship on Socratism women both as philosophers and as a philosophical motif Law, Reason and Emotion Mortimer Sellers (org.),Catherine Moore (org.),Vitor Medrado (org.),2015-12-01 Volume III Working Groups

Symposium or Drinking Party Plato,2017-02-14 This new edition of Plato s *Symposium* provides beginning readers and scholars alike with a solid reliable translation that is both faithful to the original text and accessible to contemporary readers In addition the volume offers a number of aids to help the reader make his or her way through this remarkable work A concise introduction sets the scene conveys the tenor of the dialogue and introduces the reader to the main characters with a gloss on their backgrounds and a comment on their roles in the dialogue It also provides a list of basic points for readers to keep in mind as they read the work A thought provoking interpretive essay offers reflections on the themes of the dialogue focusing especially on the dialogue as drama A select bibliography points to works both classic and contemporary that are especially relevant to readers of the *Symposium* Two appendices consist of a line drawing that depicts the spacial layout and

positioning of characters in the Symposium and a chart that shows the relation of the first six speeches to number age parentage and the function of Eros

[A Dictionary of Classical Greek Quotations](#) Marinos Yeroulanos, 2016-06-30 Only god is truly wise human wisdom is of little or no value declaimed Plato in his Apology And yet the ancient Greeks including Plato himself more than any other people of antiquity were fascinated by the pursuit of the wisdom they called philosophia That search for knowledge involved an extensive use of maxims and quotations as we can see from those expressions of Homer prefaced by the phrase as people say Classical Greek lore and sagacity have throughout history continued to provide inspiration to figures as diverse as the Church Fathers Shakespeare Nietzsche Marx and John F Kennedy Indeed Homer the Seven Sages and the Pre Socratic philosophers are still extensively quoted in all the major western languages while the admired sayings of Heraclitus for instance are known only through his quotations his actual writings having long been lost Yet for all their popularity and ubiquity until now there has been no single resource for these quotations to which interested readers might turn This unique and handsome reference book offers one of the most comprehensive selections of Greek quotations ever committed to print Organised alphabetically with the original Greek followed by an accompanying English translation it collects some 7500 entries ranging from the archaic period to late antiquity and across philosophy drama poetry history science and medicine Containing a full list of translators and of abbreviations its index of key words enables the fast and efficient sourcing of each entry This is a handbook designed for years of pleasurable and profitable browsing Many readers may find that the views expressed twenty centuries ago and now helpfully contained between one set of covers are as pertinent and provocative today as they were then

The Symposium Plato, 2003-04-29 A fascinating discussion on sex gender and human instincts as relevant today as ever In the course of a lively drinking party a group of Athenian intellectuals exchange views on eros or desire From their conversation emerges a series of subtle reflections on gender roles sex in society and the sublimation of basic human instincts The discussion culminates in a radical challenge to conventional views by Plato's mentor Socrates who advocates transcendence through spiritual love The Symposium is a deft interweaving of different viewpoints and ideas about the nature of love as a response to beauty a cosmic force a motive for social action and as a means of ethical education For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Symposium By Plato, 2019-06-15 Symposium is a philosophical text by Plato It concerns itself at one level with the genesis purpose and nature of love and is the origin of the concept of Platonic love Love is examined in a sequence of speeches by men attending a symposium or drinking party Each man must deliver an encomium a speech in praise of Love Eros The party takes place at the house of the tragedian Agathon in Athens Socrates in his speech asserts that

the highest purpose of love is to become a philosopher or literally a lover of wisdom The dialogue has been used as a source by social historians seeking to throw light on life in ancient Athens in particular upon sexual behavior and the symposium as an institution

Socrates and Alcibiades: Four Texts David Johnson,2012-03-01 Socrates and Alcibiades Four Texts gathers together translations our four most important sources for the relationship between Socrates and the most controversial man of his day the gifted and scandalous Alcibiades In addition to Alcibiades famous speech from Plato s Symposium this text includes two dialogues the Alcibiades I and Alcibiades II attributed to Plato in antiquity but unjustly neglected today and the complete fragments of the dialogue Alcibiades by Plato s contemporary Aeschines of Sphettus These works are essential reading for anyone interested in Socrates improbable love affair with Athens most desirable youth his attempt to woo Alcibiades from his ultimately disastrous worldly ambitions to the philosophical life and the reasons for Socrates failure which played a large role in his conviction by an Athenian court on charges of impiety and corrupting the youth Focus Philosophical Library translations are close to and are non interpretative of the original text with the notes and a glossary intending to provide the reader with some sense of the terms and the concepts as they were understood by Plato s immediate audience Whitaker's Books in Print ,1998

Philosophy at the Gymnasium Erik Kenyon,2024-09-15 Philosophy at the Gymnasium returns Greek moral philosophy to its original context the gyms of Athens to understand how training for the body sparked training for the mind The result is an engaging inroad to Greek thought that wrestles with big questions about life happiness and education while providing fresh perspectives on standing scholarly debates In Philosophy at the Gymnasium Erik Kenyon reveals the egalitarian spirit of the ancient gym in which clothes and with them social markers are shed at the door leaving individuals to compete based on their physical and intellectual merits alone The work opens with Socratic dialogues set in gyms that call for reform in character education It explores Plato s moral and political philosophy through the lens of mental and civic health And it holds up Olympic victors as Aristotle s model for the life of happiness through training

Classics of Western Philosophy Steven M. Cahn,2006 The seventh edition of Steven Cahn s Classics of Western Philosophy features several major additions including selections from Plotinus Enneads Schopenhauer s The World as Will and Representation Husserl s Paris Lectures Wittgenstein s Philosophical Investigations and a new selection from Hegel s Phenomenology of Spirit Selections from Aristotle s Metaphysics and On the Soul have been expanded while Aristotle s Physics and Nicomachean Ethics Hume s Enquiry Concerning Human Understanding Mill s On Liberty and Russell s The Problem of Philosophy have been further abridged In all the new edition presents complete texts or substantial selections from fifty six philosophical masterpieces in pre eminent and thoughtfully annotated translations and editions with introductions by a team of distinguished scholars including Sara Ahbel Rappe Richard Bett Steven Cahn Charles Guignon Kathleen Higgins Patricia Kitcher Philip W Kitcher William Mann Derek Pereboom Ruth Anna Putnam Israel Scheffler David Shatz George Sher David Sherman Jonathan Vogel Meredith Williams and Michael Williams

Plato's Symposium Plato,

Plato's account of an important dialogue on the nature of love between Phaedrus Pausanias Eryximachus Aristophanes Agathon Socrates and Alcibiades Plato's Symposium Stanley Rosen, 1968 **Socrates, Lucretius, Camus** Fred Wilson, 2001 The present essay attempts to do something that has not been done in the recent literature concerning death namely to link reasons for attitudes towards death to reasons for different metaphysical positions on human being and the place of human being in the universe Most recent discussions of death either place the topic directly in the context of nothing more than ethical considerations continued on the next page *Philosophy* Brooke Noel Moore, Kenneth Bruder, 2001 One of the most widely adopted texts in the field Philosophy The Power of Ideas offers a topical introduction to philosophy within an overarching historical framework The goal of the authors is to make philosophy understandable while not oversimplifying the material showing that philosophy contains powerful ideas that affect the lives of real people The Fiction of Enlightenment Heidi Bostic, 2010 This book argues that women authors of the French eighteenth century claimed reason and contributed to Enlightenment It begins by framing the Enlightenment as fiction in two senses first what passes under the name of Enlightenment in much current critical discourse is a fiction or a caricatured construct second works of fiction can illuminate Enlightenment The book offers fresh readings of texts by the three most prominent women among eighteenth century writers in French Francoise de Graffigny Marie Jeanne Riccoboni and Isabelle de Charriere These authors challenged the widely held idea that women's reason was inferior to men's Literary forms novels stories plays essays and letters allowed these authors to approach the question of reason in particularly nuanced ways Faithful to the eighteenth century this project is also relevant to the twenty first Book Jacket Phaedrus Plato, 1995-03-15 A superb translation that captures the rhetorical brilliance of the Greek The translation is faithful in the very best sense it reflects both the meaning and the beauty of the Greek text The footnotes are always helpful never obtrusive A one page outline is useful since there are no editorial additions to mark major divisions in the dialogue An appendix containing fragments of early Greek love poetry helps the reader appreciate the rich and perhaps elusive meaning of eros The entire Introduction is crisply written and the author's erudition shines throughout without a trace of pedantry this is an excellent book that deservedly should find wide circulation for many years to come Tim Mahoney University of Texas at Arlington *Encyclopedia of Human Emotions* David Levinson, James J. Ponzetti, Peter F. Jorgensen, 1999 This work brings together information from across the disciplines to look at what is known about the nature cases expression and societal role of human emotions throughout history and across cultures

Plato Symposium Hackett Classics Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Plato Symposium Hackett Classics free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Plato Symposium Hackett Classics free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Plato Symposium Hackett Classics free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are

legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Plato Symposium Hackett Classics. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Plato Symposium Hackett Classics any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Plato Symposium Hackett Classics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Plato Symposium Hackett Classics is one of the best book in our library for free trial. We provide copy of Plato Symposium Hackett Classics in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Plato Symposium Hackett Classics. Where to download Plato Symposium Hackett Classics online for free? Are you looking for Plato Symposium Hackett Classics PDF? This is definitely going to save you time and cash in something you should think about.
