Organization Theory and Design

CAPTIVATING AND MODERN...

The most recent thinking about organizations, classic ideas and theories, and real-world practice — everything you need to understand organizations and solve real-world problems

Richard Daft's *Organization Theory and Design* is the best-selling text for good reason! This modern classic uses fascinating, detailed examples to show you how companies cope in our rapidly changing, highly competitive, international environment.

Long known as one of the most systematic and well-organized texts available for the course, *Organization Theory and Design* will help you prepare for the challenges you're certain to face in the business world. As you explore companies and organizations such as Dell Computer, Google and JetBlue, you'll gain insight into how real organizations implement innovative new design ideas. And, each chapter gives you valuable information that you'll rely upon now and in the future, including current examples and research alongside time-tested information.

As you progress through this useful book, you'll quickly learn to apply concepts and develop your own skills and insights — essential skills in today's business world.
