**The Death of Woman Wang** Jonathan D. Spence, 1979-03-29 Spence shows himself at once historian detective and artist He makes history howl The New Republic Award winning author Jonathan D Spence paints a vivid picture of an obscure place and time provincial China in the seventeenth century Life in the northeastern county of T an ch eng emerges here as an endless cycle of floods plagues crop failures banditry and heavy taxation Against this turbulent background a tenacious tax collector an irascible farmer and an unhappy wife act out a poignant drama at whose climax the wife having run away from her husband returns to him only to die at his hands Magnificently evoking the China of long ago The Death of Woman Wang also deepens our understanding of the China we know today **Jonathan D. Spence. The death of woman Wang** Jonathan D. Spence, 1978 *Passionate Women* Paul Stanley Ropp, Paola Zamperini, Harriet Thelma Zurndorfer, 2001 This is a collection of original essays which focuses on the causes meanings and significance of female suicides in Ming and Qing China It is the first attempt in English language scholarship to revise earlier views of female self destruction that had been shaped by the May Fourth Movement and anti Confucian critiques of Chinese culture and to consider the matter of female suicide in the wider context of more recent scholarship on women and gender relations in late imperial China The essays also reveal the world of tensions conflicting demands and expectations and a variety of means by which both women and men made moral sense of their lives in late imperial China The volume closes with an extensive bibliography of relevant and important Chinese Japanese and Western publications related to female suicide in late imperial China Annual Report of the Woman's Board of Missions of the Interior Woman's Board of Missions of the Interior, 1907 **Male Anxiety and Female Chastity** Ju-K'ang T'ien, 2023-12-14 **A Complete Book Concerning Happiness and Benevolence** Liuhong Huang, Chu Djang, 1984 Huang Liu hung was one of some 1 500 local magistrates in seventeenth century China and he wrote this book as a manual for other magistrates In it readers will find insight into everyday life and legal processes during the early Ch ing period as well as into the mentality of the ruling elite and its attitude toward the common people Also provides a basis for comparing China s present with its past particularly in matters concerning the pursuit of ideological conformity and political control From publisher description Male Anxiety and Female Chastity Rukang Tian, 1954 The Semiotics of Exile in Literature H. Zeng, 2010-09-27 Furthering the scholarship on writers and artists as diverse as Lord Byron Edvard Munch Sylvia Plath and Jorge Luis Borges Zeng probes the semiotics of exile In artistic traditions the world over exile exerts a potent and complex mythmaking power whether it is manifest as a geographical dislocation or as a sense of cultural or psychological alienation **The Pitfalls of Piety for Married Women** , 2021-08-15 The Pitfalls of Piety for Married Women shows how problematic the practice of Buddhist piety could be in late imperial China Two thematically related precious scrolls baojuan from the Ming dynasty The Precious Scroll of the Red Gauze and The Precious Scroll of the Handkerchief illustrate the difficulties faced by women whose religious devotion conflicted with the demands of marriage and motherhood

These two previously untranslated texts tell the stories of married women whose piety causes them to be separated from their husbands and children. While these women labor far away, their children are cruelly abused by murderous stepmothers. Following many adventures, the families are reunited by divine intervention, and the evil stepmothers get their just deserts. While the texts in *The Pitfalls of Piety for Married Women* praise Buddhist piety, they also reveal many problems concerning married women and mothers. Wilt L. Idema's translations are preceded by an introduction that places these scrolls in the context of Ming dynasty performative literature, vernacular literature, and popular religion. Set in a milieu of rich merchants, the texts provide a unique window to family life of the time, enriching our understanding of gender during the Ming dynasty. These popular baojuan offer rare insights into lay religion and family dynamics of the Ming dynasty, and their original theme and form enrich our understanding of the various methods of storytelling that were practiced at the time.

Zeng examines the cultural and historical implications of exile through the detailed analysis of film language and theoretical exploration.
