Dancer from the Dance Andrew Holleran,1978 A novel about a young man s obsessional search for love in the gay world

*Dancer from the Dance* Andrew Holleran,2023-12-05 A hymn to gay liberation in the city and to male beauty Darryl Pinckney T The New York Times Style magazine Nothing could be more beautiful than Holleran s tableaux of New York those hot summer city nights when lonely men sit on their stoops or their fire escapes and stare at that endless parade of unattainable lovers Boston Globe Andrew Holleran s landmark novel of a young man s search for love and companionship in New York s emerging gay world in the 1970s with a new introduction by Garth Greenwell Young astonishingly beautiful and tired of living a lie Anthony Malone trades life as a seemingly straight small town lawyer for the decadence of New York s emerging gay scene an odyssey that takes him from Manhattan s Everard baths and after hour discos to lavish orgies on Fire Island and parks after dark Rescuing Malone from a possessive lover and shepherding him through his immersion in this life of fierce joys and cheap truths is the flamboyant Sutherland a high camp quintessential queen But for Malone the endless city nights and Fire Island days are close to burning out and despite Sutherland s abundant attentiveness and glittering world weary wisdom Malone soon realizes what he is truly looking for may not be found in these beautiful places where life is crowded and people are forever outrunning their own desires and death

Nights in Aruba Andrew Holleran,2023-12-05 Nights in Aruba succeeds wonderfully at being at the same time a deeply serious revelation and very lively very satisfying company New York Magazine Andrew Holleran s follow up to *Dancer from the Dance* Nights in Aruba is a classic novel of love shared and love concealed told with wry humor and subtle lyricism Nights in Aruba Andrew Holleran s second more reflective novel centers around the dual life that its protagonist Paul leads between his fast paced out life in New York City and his extended visits to aging parents in Florida He cannot quite believe what his life has become I had arrived at middle age and realized I had made no progress that the moment was past just as I would look up from a book I was reading on a Saturday in summer and realize when I saw the clock that the last decent train to the beach had left already Years after accepting his sexuality after some electrifying time in the army and living on the Lower East Side Paul is eventually bored by the hijinks of sex and drugs in the Manhattan disco scene His musings and development through the novel center around his coming to terms with his homosexuality his Catholic upbringing in Aruba and his relationship with his parents a businesslike father and a bored commanding unfulfilled mother

**The Beauty of Men** Andrew Holleran,2023-12-05 As valuable as Holleran may be as a chronicler of contemporary gay history he is one of those gay writers whose stylistic prowess and critical intelligence deserves the attention of straight readers as much as that of the gay reading community *The Beauty of Men* is an honest attempt to grapple with loneliness and aging without self pity or sentimentality and for that reason it will last Washington Post Andrew Holleran s classic *Dancer from the Dance* became an icon for gay men in the 1970s portraying a man s descent from high society Connecticut to a glittering world of hedonism and promiscuity in New York City In *The*

Beauty of Men his third novel he writes a poignant story of loneliness unfulfilled dreams and loss of youth set in the mid 1990s amid the ravaging AIDS crisis Forty seven gay and alone Lark leaves behind his youth and dreams in New York City to care for his dying mother in Florida Mourning the passing of his glamorous younger self to time and the lives of friends and acquaintances to AIDS he looks back on his past to years spent in pursuit of hedonistic pleasures Middle aged gray and now seemingly invisible to the world around him Lark has survived while those around him have all been taken Left with nothing but his memories he is forced to contemplate the cruel emptiness and bitter loneliness of his life while longing for a stunningly handsome man who haunts is days and dreams Gorgeous and deeply moving Holleran s heartbreaking novel is beyond its time a study of the human condition and our yearning for meaning purpose and love in a cold and capricious world

**Romanticism, Gender, and Violence** Nowell Marshall,2013-07-22 Combining queer theory with theories of affect psychoanalysis and Foucauldian genealogy Romanticism Gender and Violence Blake to George Sodini theorizes performative melancholia a condition where regardless of sexual orientation overinvestment in gender norms causes subjects who are unable to embody those norms to experience socially expected normal gender as something unattainable or lost This perceived loss causes an ambivalence within the subject that can lead to self inflicted violence masochism suicide or violence toward others sadism murder Reading a range of Romantic poetry and novels between 1790 1820 but ultimately moving beyond the period to show its contemporary cultural relevance through readings of Eliot s *The Mill on the Floss* Virginia Woolf s *Mrs Dalloway* Andrew Holleran s *Dancer from the Dance* and George Sodini s 2009 murder suicide case this study argues that we need to move beyond focusing on bullying teens and LGBT students and look at our cultural investment in gender normativity itself Doing so allows us to recognize that the relationship between non normative gender performance and violence is not simply a gay problem it is a human problem that can affect people of any sex sexuality age race or ethnicity and one that we can trace back to the Romantic period Bringing late 18th century novels into conversation with both canonical and lesser known Romantic poetry allows us to see that as people whose performance of gender occasionally exceeds the normal we too often internalize these norms and punish ourselves or others for our inability to adhere to them Contrasting paired chapters by male and female authors and including sections on failed romantic coupling melancholic femininities melancholic masculinities failed gender performance and madness and ending with a section titled *After Romanticism* this study works on multiple levels to complicate previous understandings of gender and violence in Romanticism while also offering a model for contemporary issues relating to gender and violence among people who fail to perform gender according to social norms

**In September, the Light Changes** Andrew Holleran,2000 With a surprising yet sensitive comic touch the author of *Dancer from the Dance* has written his most mature work to date a poignant polished collection of 16 stories which journey across landscapes of regret and loss shame and pride loneliness and love *The Kingdom of Sand* Andrew Holleran,2022-06-07 A NEW YORK TIMES BOOK REVIEW EDITOR S CHOICE PICK ONE OF THE

LONDON TIMES TOP TWENTY SIX FICTION BOOKS OF THE YEAR LA TIMES 5 BEST BOOKS OF 2022 BBC CULTURE S 50 BEST BOOKS OF 2022 LONGLIST FOR THE MARK TWAIN AMERICAN VOICE IN LITERATURE AWARD Holleran's new novel is all the more affecting and engaging because the images of isolation and old age here are haunted in 1978 Holleran wrote the quintessential novel about gay abandon the sheer careless pleasure of it *Dancer From the Dance* Now at almost 80 years of age he has produced a novel remarkable for its integrity for its readiness to embrace difficult truths and for its complex way of paying homage to the passing of time Colm Toibin *The New York Times Book Review* It's rare to find fiction that takes this kind of dying of the light as its subject and doesn't make its heroes feel either pathetic or polished with a gleam of false dignity This sad beautiful book captures the sensations Holleran's characters are chasing as well as the darkness that inevitably comes for them and us Mark Athitakis *The Los Angeles Times* One of the great appeals of Florida has always been the sense that the minute you get here you have permission to collapse *The Kingdom of Sand* is a poignant tale of desire and dread Andrew Holleran's first new book in sixteen years The nameless narrator is a gay man who moved to Florida to look after his aging parents during the height of the AIDS epidemic and has found himself unable to leave after their deaths With gallows humor he chronicles the indignities of growing old in a small town At the heart of the novel is the story of his friendship with Earl whom he met cruising at the local boat ramp For the last twenty years he has been visiting Earl to watch classic films together and critique the neighbors Earl is the only person in town with whom he can truly be himself Now Earl's health is failing and our increasingly misanthropic narrator must contend with the fact that once Earl dies he will be completely alone He distracts himself with sexual encounters at the video porn store and visits to Walgreens All the while he shares reflections on illness and death that are at once funny and heartbreaking Holleran's first novel *Dancer from the Dance* is widely regarded as a classic work of gay literature Reviewers have described his subsequent books as beautiful exhilarating seductive haunting and bold *The Kingdom of Sand* displays all of Holleran's considerable gifts it's an elegy to sex and a stunningly honest exploration of loneliness and the endless need for human connection especially as we count down our days *Something Inside* Philip Gambone, 1999 In the last twenty years gay literature has earned a place at the American and British literary tables spawning its own constellation of important writers and winning a dedicated audience No one though until Philip Gambone has attempted to offer a collective portrait of our most important gay fiction writers This selection of interviews attempts just that and is notable both for the depth of Gambone's probing conversations and for the sheer range of important authors included Allen Barnett Christopher Bram Peter Cameron Bernard Cooper Dennis Cooper Michael Cunningham Brad Gooch Joseph Hansen Scott Heim Andrew Holleran Alan Hollinghurst Brian Keith Jackson Randall Kenan David Leavitt Michael Lowenthal Paul Monette Michael Nava David Plante John Preston Lev Raphael Edmund White **The Oxford History of the Novel in English** Cyrus R. **Queer Disappearance in Modern and Contemporary Fiction** Benjamin Bateman,2023-01-31 Queer Disappearance in Modern and Contemporary Fiction breaks with appearance based models of queer performativity and argues for the experiential richness and political potentials of recessive tendencies in twentieth and twenty first century queer literary production The study theorizes a perish performative that allows for agency in practices of abeyance and it discovers within queerness s ample archive of vanishing acts an environmental ethos antithetical to inflationary versions of the human Tying modernist classics by E M Forster and Willa Cather to Andrew Holleran s gay classic *Dancer from the Dance* and then moving to the contemporary ecogothic of Lydia Millet s *How the Dead Dream* and the trans decadence of Shola von Reinhold s *Lote* the book refuses the common wisdom that queerness becomes louder and prouder over time delineating instead a minimalist and daydreaming subjectivity wherein queerness finds escape respite and varied opportunities for imaginative reverie This precarious subjectivity necessitated but not defined by oppression and obstacle rewards and restores the queer self and it also contests the logics of development acquisition and productivity that wreak havoc on the planet and entrench social disparities of race class and ability **Queer Disappearance in Modern and Contemporary Fiction** supplies multiple accounts of the collective and personal pleasures possibilities and perils to be found in pulling away going missing and taking a break

**Gay Men's Literature in the Twentieth Century** Mark Lilly,1993-11 In gay men s writing tenderness lies side by side with rage existential rejection of convention rubs shoulders with sexual hedonism Beginning with Wilde s and Byron s existentialist outlaw the theme of social rebellion and the fight against conformity form a common link among the literary works of the twentieth century But mainstream academic criticism has shown itself for the most part incapable of engaging gay work without distorting or ignoring its most central features
