The Lord's Prayer David Pawson,2015-02-02 The author writes The so called Lord s Prayer is full of surprises For one thing the Lord could never have used it himself with its central and longest plea for forgiveness Though he gave it as a model for private prayer it has become the most common corporate liturgy of the church Its brevity is striking consistent with his criticism of pagan devotions with their many words Above all it is comprehensive covering all the basic concerns of a

Christian while clearly indicating that these should cover God's needs honour and loyalty before his or her own food and forgiveness Even though it begins with God whom Jesus called my Father but we must say our Father it ends with the devil deliver us from the evil one It is for weekdays rather than Sundays Try using it for a month **Where is Jesus now?** David Pawson,2015-10-12 Why is the Ascension such a neglected area of biblical teaching What exactly happened How did the disciples react Why did Jesus go back to heaven What did he do next What is he doing now How does all this connect with our lives today David Pawson explains why the Ascension of Jesus can still be a source of inspiration to every Christian believer

Ecclesiastes Habakkuk Luke and John are included together with the complete books of Jude and Galatians **Grassroots Unity in the Charismatic Renewal** Connie Ho Yan Au,2011-02-23 This book explores the nature of grassroots unity in the British charismatic renewal in the 1970s and its significance to ecumenism The study is based on the five international conferences of the Fountain Trust and focuses on two grassroots activities worship in general and the celebration of the Eucharist in particular Worship in this setting nurtured unity through charisms but the Eucharist exposed the inadequacy of this grassroots unity because of doctrinal and ecclesiological differences This book aims to suggest a way forward by searching for the complementarity of institution and charisms and Christology and Pneumatology in a charismatic context It argues that the two emphases of the charismatic renewal charisms and the Holy Spirit complement the institutional commitments of the church and ecumenism The concepts of *Christus praesens* and *Spiritus praesens* are considered intrinsic to the charisms and thus Christology and Pneumatology should both be considered significant for ecumenism The study finally discusses the complementarity of ecumenical institutions and the charismatic renewal the convergence of ecumenical streams and continuity in modern ecumenical history **Kingdoms in Conflict** David Pawson,2015-05-09 A kingdom is a

group of people ruled by one person the king who makes all the laws himself without their votes or approval The concept is anathema to contemporary democracy and its confidence in government by the people the naive assumption that majorities will always get it right History does not encourage optimism There have been more bad kings than good even in God's chosen people Israel Behind our world's problems which baffle our finest politicians and philosophers lies a fundamental racial and fatal error of having chosen the wrong king Born into his kingdom he has deceived us into thinking we can each of us be our own kingdom inevitably clashing with each other as individuals or nations The only solution is to find the right king and become his loyal citizens One day all other kingdoms will be shaken to pieces but this will remain for ever Only then will the conflict in which every one of us is involved be resolved [Who or What Is It All About?: A Worshipping Musician's](#)

By God, I Will David Pawson,2013-02-28 It must bewilder many Christians that teachers and preachers using the same Bible can come up with so many different interpretations and more particularly applications of God s Word One of the main reasons for this confusion is their handling of the word covenant which is so fundamental to scripture The two key questions are how many covenants has God made with human beings and how many of these apply to Christians today Some say there is only one the covenant of grace running right through scripture though they might add a second a covenant of works which applied only to Adam in Eden Most think there are two the old and the new corresponding to the Old and the New Testaments a synonym for covenant Others claim to have found seven though they usually call them dispensations This author believes there are five which are basic to the story of our redemption the Noahic Abrahamic Mosaic Davidic and Messianic Only one of these is old and therefore obsolete only one is new but endorses the other three With this insight we can rightly divide the word of truth 2 Timothy 2 15 NIV has correctly handle See if you agree

of Christ **The Baptist Revival Fellowship** Phil Hill,2019-02-15 Extract from Baptist Revival Fellowship We explore the Baptist Revival Fellowship s history from its foundation in 1938 It began as a movement to promote spiritual renewal in the Baptist Union However it withdrew from its affiliation in 1972 It draws on denominational records press reports some writings of its leaders and also the fellowship archive The movement had three phases of development and a chapter is devoted to each of these During its early development between 1938 and 1960 the BRF mainly emphasized personal spiritual renewal and prayer for revival However in the late fifties it moved into more fundamentalist territory Between 1960 and 1966 came the charismatic renewal and the prominence of Reformed theology This led to renewed impetus and serious engagement with contemporary Baptist debates The final phase was between 1966 and 1971 when the BRF adopted a policy of secession from the BU D Martyn Lloyd Jones had significant influence from the late fifties onwards The BRF left the BU in reaction to a Christological controversy between 1971 and 1972 [A Commentary on Ecclesiastes](#) David

Pawson,2020-01-24 The author writes The basic questions always begin with why not how People ask How can I be happy How can I make a living How can I get guidance How can I do this They should be asking Why should I make a living Why should I need guidance Science answers the question how again and again but it never answers the question Why It may be able to tell us how the world began but it doesn t tell us why and it is the why that is important Ecclesiastes is a book to tell you why and that is much more important than how **A Commentary on 1 & 2 Thessalonians** David Pawson,2015-02-13 Speculation about the second coming of our Lord is nothing new The saints in Thessalonica were already being misled Paul s two corrective letters among his earliest deal with the issue in a way that is profound and practical as well as giving details to be found nowhere else in the New Testament The rapture the man of lawlessness the temple these and other features are uniquely here But there is also much sound advice for those who are so heavenly minded they are no earthly use Meddling in other people s business living on the generosity of others rather than earning despising prophetic words sexual behaviour that is lust rather than love these are just some of the arrows that find a target within the church After two thousand years these letters are as relevant today as they ever were Paul probably never guessed they would become part of scripture which God intended to be used until history ended and eternity began **A Commentary on the Book of Revelation** David
