## **WORLD WAR I DBQ ESSAY**

### **Historical Background**

World War I, also known as The Great War, was an international conflict lasting from 1914 to 1918. The driving force that led nations to war was imperialism. It was fought between the Central Powers (consisting mainly of Germany, Austria-Hungary, and Turkey) and the Allied Powers (consisting mainly of France, Great Britain, Italy, Russia, Serbia, the United States, and Japan).

The United States maintained neutrality in the conflict until 1917, when war on Germany was officially declared. American military and economic contributions to the Allied war effort helped to turn the course of the war and eventually led to the defeat of the Central Powers.
