A NOVEL

Deadeye Dick

Kurt Vonnegut

Deadeye Dick:

Deadeye Dick Kurt Vonnegut,2012-11-01 Rudolf Waltz s principal objection to life was that it was too easy to make horrible mistakes He was himself to become a double murderer at the age of twelve on Mother s Day This would at least make subsequent mistakes seem fairly trivial Rudolf s father Otto Waltz had in 1910 bought a painting in Vienna from a destitute Adolf Hitler thereby possibly saving him from starvation for a future generation He made the further mistake of setting himself up as an artist when he returned from Europe to Midland City Ohio where everyone knew Otto couldn t draw for sour apples He had funds to indulge this grand illusion in the splendor of a vast converted medieval granary studio reminiscent of Mount Fujiyama because his father had made a fortune producing an opium and cocaine laced quack medicine called Saint Elmo s Remedy popularly known to be absolutely harmless unless discontinued The Waltz inheritance even stretched to a troupe of black servants which was just as well since Rudy s mother was as disinclined to look after a home as his artist father was to paint

Deadeye Dick Kurt Vonnegut,2009-10-07 The master at his quirky provocative best Cosmopolitan Deadeye Dick is Kurt Vonnegut s funny chillingly satirical look at the death of innocence Amid a true Vonnegutian host of horrors a double murder a fatal dose of radioactivity a decapitation an annihilation of a city by a neutron bomb Rudy Waltz aka Deadeye Dick takes us along on a zany search for absolution and happiness Here is a tale of crime and punishment that makes us rethink what we believe and who we say we are Praise for Deadeye Dick A moving fable Vonnegut sweet cynic and ugly duckling continues to write gentle swan songs for our uncivil society Playboy A brilliantly unconventional novel a must for all Vonnegut fans Worcester Sunday Telegram Hits the bull s eye dolefully celebrates the randomness of life treating private and public disasters with a kind of reckless whimsy You don t read Kurt Vonnegut for meaning exactly You read him for the sad funny attitude of mind the kind of weirdness that can interpret the world s weirdness USA Today Vonnegut is beguiling as ever Incredible plot constructions and inventive language continue to leap from his typewriter the humor is natural and inborn the insight usually purchased by his characters at painfully high cost Funny how life turns out Even funnier how Mr Vonnegut turns life s insanities into funny profound sense That takes a master s touch Mr Vonnegut still has it Kansas City Star Playful and imaginative On finishing the novel the kitchen of your mind is a cleaner and more well lighted place than it was before Houston Chronicle Endearing and enchanting a wise and charming book very full of life Glamour

Kurt Vonnegut's Crusade; or, How a Postmodern Harlequin Preached a New Kind of Humanism Todd F. Davis,2012-02-01 I ve worried some about why write books when presidents and senators and generals do not read them and the university experience taught me a very good reason you catch people before they become generals and senators and presidents and you poison their minds with humanity Encourage them to make a better world Kurt Vonnegut Kurt Vonnegut s desire to save the planet from environmental and military destruction to enact change by telling stories that both critique and embrace humanity sets him apart from many of the postmodern authors who rose to

prominence during the 1960s and 1970s This new look at Vonnegut s oeuvre examines his insistence that writing is an act of good citizenship or an attempt at any rate to be a good citizen By exploring the moral and philosophical underpinnings of Vonnegut s work Todd F Davis demonstrates that over the course of his long career Vonnegut has created a new kind of humanism that not only bridges the modern and postmodern but also offers hope for the power and possibilities of story Davis highlights the ways Vonnegut deconstructs and demystifies the grand narratives of American culture while offering provisional narratives petites histoires that may serve as tools for daily living

Kurt Vonnegut's America Jerome Klinkowitz,2009 Following an introduction characterizing Vonnegut as Klinkowitz came to know him over the course of their friendship this study charts the impact of Vonnegut on American society and of that society on Vonnegut for more than a half century to illustrate how each informed the other taken from cover
