Decision Support Systems X: Cognitive Decision Support Systems and Technologies José María Moreno-Jiménez, Isabelle Linden, Fatima Dargam, Uchitha Jayawickrama, 2020-05-18 This book constitutes the proceedings of the 6th International Conference on Decision Support Systems Technologies ICDSST 2020 organised in Zaragoza Spain in May 2020 The conference was held online only due to the Corona pandemic The EWG DSS series of International Conference on Decision Support System Technology ICDSST is planned to consolidate

the tradition of annual events organized by the EWG DSS in offering a platform for European and international DSS communities comprising the academic and industrial sectors to present state of the art DSS research and developments to discuss current challenges that surround decision making processes to exchange ideas about realistic and innovative solutions and to co develop potential business opportunities The main topic of this year s conference was Cognitive Decision Support Systems and Technologies The 13 papers presented in this volume were carefully reviewed and selected from 51 submissions They were organized in topical sections named methodological contributions case studies and applications and overview on the current state and future trends of DSS BI and data analytics research

Handbook on Decision Support Systems 2 Frada Burstein, Clyde W. Holsapple, 2008-01-22 As the most comprehensive reference work dealing with decision support systems DSS this book is essential for the library of every DSS practitioner researcher and educator Written by an international array of DSS luminaries it contains more than 70 chapters that approach decision support systems from a wide variety of perspectives These range from classic foundations to cutting edge thought informative to provocative theoretical to practical historical to futuristic human to technological and operational to strategic The chapters are conveniently organized into ten major sections that novices and experts alike will refer to for years to come

Research Anthology on Decision Support Systems and Decision Management in Healthcare, Business, and Engineering Management Association, Information Resources, 2021-05-28 Decision support systems DSS are widely touted for their effectiveness in aiding decision making particularly across a wide and diverse range of industries including healthcare business and engineering applications The concepts principles and theories of enhanced decision making are essential points of research as well as the exact methods tools and technologies being implemented in these industries From both a standpoint of DSS interfaces namely the design and development of these technologies along with the implementations including experiences and utilization of these tools one can get a better sense of how exactly DSS has changed the face of decision making and management in multi industry applications Furthermore the evaluation of the impact of these technologies is essential in moving forward in the future The Research Anthology on Decision Support Systems and Decision Management in Healthcare Business and Engineering explores how decision support systems have been developed and implemented across diverse industries through perspectives on the technology the utilizations of these tools and from a decision management standpoint The chapters will cover not only the interfaces implementations and functionality of these tools but also the overall impacts they have had on the specific industries mentioned This book also evaluates the effectiveness along with benefits and challenges of using DSS as well as the outlook for the future This book is ideal for decision makers IT consultants and specialists software developers design professionals academicians policymakers researchers professionals and students interested in how DSS is being used in different industries

Cognition-Driven Decision Support for Business Intelligence Li Niu, Jie Lu, Guangquan Zhang, 2009-09-14 Cognition driven decision support system DSS has been recognized as a paradigm in the research and

development of business intelligence BI Cognitive decision support aims to help managers in their decision making from human cognitive aspects such as thinking sensing understanding and predicting and fully reuse their experience Among these cognitive aspects decision makers situation awareness SA and mental models are considered to be two important prerequisites for decision making particularly in ill structured and dynamic decision situations with uncertainties time pressure and high personal stake In today s business domain decision making is becoming increasingly complex To make a successful decision managers SA about their business environments becomes a critical factor This book presents theoretical models as well practical techniques of cognitiondriven DSS It first introduces some important concepts of cognition orientation in decision making process and some techniques in related research areas including DSS data warehouse and BI offering readers a preliminary for moving forward in this book It then proposes a cognition driven decision process CDDP model which incorporates SA and experience mental models as its central components The goal of the CDDP model is to facilitate cognitive decision support to managers on the basis of BI systems It also presents relevant techniques developed to support the implementation of the CDDP model in a BI environment Key issues addressed of a typical business decision cycle in the CDDP model include natural language interface for a manager s SA input extraction of SA semantics construction of data warehouse queries based on the manger s SA and experience situation information retrieval from data warehouse how the manager perceives situation information and update SA how the manager s SA leads to a final decision Finally a cognition driven DSS FACETS and two illustrative applications of this system are discussed

Fusing Decision Support Systems Into the Fabric of the Context Ana Respício,Frada Burstein,2012 The field of Information Systems has been shifting from an aeimmersion viewAE which relies on the immersion of information technology IT as part of the business environment to a aefusion viewAE in which IT is fused within the business environment forming a unified fabric that integrates work and personal life as well as personal and public information In the context of this fusion view decision support systems should achieve a total alignment with the context and the personal preferences of users The advantage of such a view is an opportunity of seamless integration between enterprise environments and decision support system components Thus researchers and practitioners have to address the challenges of dealing with this shift in viewpoint and its consequences for decision making and decision support systems theories and applications This book presents the latest innovations and advances in decision support systems with a special focus on the fusion view These achievements will be of interest to all those involved and interested in decision making practice and research as well as more generally in the fusion view of modern information systems The book covers a wide range of topical themes including a fusion view of business intelligence and data warehousing applications of multi criteria decision analysis intelligent models and technologies for decision making knowledge management decision support approaches and models for emergency management and medical and other specific domains

Proceedings of the 5th International Conference on Decision Support System Technology - ICDSST 2019 &

EURO Mini Conference 2019 Paulo Sérgio Abreu Freitas,Fátima Dargam,Rita Ribeiro,José Maria Moreno Jimenez,Jason Papathanasiou,2019-05-27 Knowledge Engineering for Modern Information Systems Anand Sharma,Sandeep Kautish,Prateek Agrawal,Vishu Madaan,Charu Gupta,Saurav Nanda,2022-01-19 Knowledge Engineering KE is a field within artificial intelligence that develops knowledgebased systems KE is the process of imitating how a human expert in a specific domain would act and take decisions It contains large amounts of knowledge like metadata and information about a data object that describes characteristics such as content quality and format structure and processes Such systems are computer programs that are the basis of how a decision is made or a conclusion is reached It is having all the rules and reasoning mechanisms to provide solutions to real world problems This book presents an extensive collection of the recent findings and innovative research in the information system and KE domain Highlighting the challenges and difficulties in implementing these approaches this book is a critical reference source for academicians professionals engineers technology designers analysts undergraduate and postgraduate students in computing science and related disciplines such as Information systems Knowledge Engineering Intelligent Systems Artificial Intelligence Cognitive Neuro science and Robotics In addition anyone who is interested or involved in sophisticated information systems and knowledge engineering developments will find this book a valuable source of ideas and guidance A Brief Introduction to Decision Support Systems Arghya Ray,2012-07-11 Essay from the year 2012 in the subject Business economics Controlling language English abstract In this paper the key concepts related to decision support system or DSS are introduced in a simple language The managerial aspects of DSS have been highlighted with special focus on strategic decision making DSS does not only help in decision making processes but also determine the course infrastructure management strategy setting personnel management business organization and a lot more The paper has five parts Introduction Literature Review Strategic Decision Making Advantages and Disadvantages Conclusion and References Quality scholarly and academic resources have been used Business Intelligence and Analytics Ramesh Sharda,Dursun Delen,Efrain Turban,2019-01-04 The purpose of this book is to introduce the reader to these technologies that are generally called analytics but have been known by other names The core technology consists of DSS BI and various decision making techniques We use these terms interchangeably Decision Support Systems for Business Intelligence Vicki Lynn Sauter,2010 **Decision Support Systems and Electronic Commerce** ,2003-04 *Decision Support Systems* C. W. Holsapple,Andrew B. Whinston,1996

The Enigmatic Realm of **Decision Support Systems For Business Intelligence**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Decision Support Systems For Business Intelligence** a literary masterpiece penned with a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those that partake in its reading experience.
