Der Geteilte Himmel:

Der geteilte Himmel Christa Wolf, 1973 Eine Auseinandersetzung mit den Jahren der deutschen Teilung Ende August 1961 In einem kleinen Krankenzimmer erwacht Rita Seidel aus ihrer Ohnmacht Und mit dem Erwachen wird auch die Vergangenheit wieder lebendig Da ist die Erinnerung an den Betriebsunfall und vor allem die Erinnerung an Manfred Herrfurth Zwei Jahre sind vergangen seit sie dem Chemiker in die Stadt folgte um an seiner Seite und mit ihm gemeinsam ein gl ckliches Leben zu beginnen Wann hat die Trennung begonnen Hat sie die ersten Anzeichen einer Entfremdung bersehen Denken Gr beln Fiebern Tage und N chte hindurch Ich gebe Dir Nachricht wenn Du kommen sollst Ich lebe nur f r den Tag da Du wieder bei mir bist Manfred ist von einem Chemikerkongre in Westberlin nicht zur ckgekehrt in dem festen Glauben da Rita ihm folgen wird Sie mu eine Entscheidung treffen die sie in eine tiefe Krise st rzt

Der geteilte Himmel Christa Wolf, 1964 **Liebe Nach Dem Krieg** Frank Michael Schicketanz, 1995 **Post-fascist Fantasies** Julia Hell, 1997 Employing an approach informed by Slavoj Zizek s work on the Communist s sublime body and by British psychoanalytic feminism s concern with feminine subjectivity Hell first examines the antifascist works by exiled authors and authors tied to the resistance movement She then strives to understand the role of Christa Wolf the GDR s most prominent author in the GDR s effort to reconstruct symbolic power after the Nazi period *"Der geteilte Himmel" und seine Kritiker* Martin Reso, 1965

They Divided the Sky Christa Wolf, 2013-01-26 First published in 1963 in East Germany They Divided the Sky tells the story of a young couple living in the new socialist East Germany whose relationship is tested to the extreme not only because of the political positions they gradually develop but very concretely by the Berlin Wall which went up on August 13 1961 The story is set in 1960 and 1961 a moment of high political cold war tension between the East Bloc and the West a time when many thousands of people were leaving the young German Democratic Republic the GDR every day in order to seek better lives in West Germany or escape the political ideology of the new country that promoted the farmer and peasant state over a state run by intellectuals or capitalists The construction of the Wall put an end to this hemorrhaging of human capital but separated families friends and lovers for thirty years The conflicts of the time permeate the relations between characters in the book at every level and strongly affect the relationships that Rita the protagonist has not only with colleagues at work and at the teacher s college she attends but also with her partner Manfred an intellectual and academic and his family They also lead to an accident attempted suicide that send her to hospital in a coma and that provide the backdrop for the flashbacks that make up the narrative Wolf s first full length novel published when she was thirty five years old was both a great literary success and a political scandal Accused of having a decadent attitude with regard to the new socialist Germany and deliberately misrepresenting the workers who are the foundation of this new state Wolf survived a wave of political and other attacks after its publication She went on to create a screenplay from the novel and participate in making the film version More importantly she went on to become the best known East German writer of her generation a

writer who established an international reputation and never stopped working toward improving the socialist reality of the GDR Published in English **The Triumph of the Ordinary** Joshua Feinstein, 2003-11-20 Were movies in the East Bloc propaganda or carefully veiled dissent In the first major study in English of East German film Joshua Feinstein argues that the answer to this question is decidedly complex Drawing on newly opened archives as well as interviews with East German directors actors and state officials Feinstein traces how the cinematic depiction of East Germany changed in response to national political developments and transnational cultural trends such as the spread of television and rock n roll Celluloid images fed a larger sense of East German identity an identity that persists today more than a decade after German reunification But even as they attempted to satisfy calls for authentic images of the German Democratic Republic that would legitimize socialist rule filmmakers challenged the regime s self understanding Beginning in the late 1960s East German films dwelled increasingly on everyday life itself no longer seeing it merely as a stage in the development toward communism By presenting an image of a static rather than an evolving society filmmakers helped transform East German identity from one based on a commitment to socialist progress to one that accepted the GDR as it was **Schaltstelle** Karen J. Leeder, 2007 Erstmals liegt mit Schaltstelle eine umfassende Studie zur zeitgen ssischen deutschsprachigen Lyrik auf der Schwelle zum 21 Jahrhundert vor In einem breiten Spektrum an Beitr gen international renommierter Experten aus Deutschland Gro britannien den USA Kanada Italien und den Niederlanden pr sentiert diese Untersuchung ausf hrliche Analysen zu bekannten Gr en wie Volker Braun Ulrike Draesner Durs Gr nbein Ernst Jandl Barbara K hler Friederike Mayr cker Brigitte Oleschinski und Raoul Schrott eingehende Betrachtungen zur Lyrik des K rpers zur Verwendung von Klischee Bildern zum Topos der Kindheit oder zur neuen Schlichtheit sowie Beitr ge zur j ngsten Generation von Dichterinnen und Dichtern die im neuen Jahrhundert ihren Einstand gegeben haben Untersuchungen zu individuellen Gedichtsammlungen erg nzen sich mit Abhandlungen die Dialoge ber die Jahrhundertgrenzen hinweg aufzeigen oder den Einflu von Schl sselfiguren wie Paul Celan und Gottfried Benn nachweisen Zudem enth lt der Band ein Interview mit Heinz Czechowski und neue Gedichte von acht f hrenden deutschsprachigen Lyrikerinnen und Lyrikern Zu oft wird in Diskussionen zur Literatur in der Berliner Republik die Lyrik marginalisiert dieser Band zeigt da sie im Gegenteil eine unerl iche Rolle zu spielen hat F r Wissenschaftler und Studierende der Germanistik wie überhaupt f r alle die an den Entwicklungen auf dem Gebiet der modernen Lyrik interessiert sind sollte diese Ver ffentlichung zur Pflichtlekt re erhoben werden Schaltstelle presents a pioneering examination of contemporary German poetry at the turn of the twenty first century Internationally recognised experts from Germany UK USA Canada Italy and the Netherlands offer a first assessment of the paths that German poetry has taken into the new millennium Alongside in depth analyses of established names are broader surveys of poetry of the body the use of clich theories of metaphor the topos of childhood the new simplicity and contributions dedicated to the youngest generation of poets making their debut in the new century The volume also contains an interview with Heinz

Czechowski a substantial Bibliography and new poems by eight leading poets Poetry is too often marginalised in discussions about literature in the Berlin Republic this volume demonstrates that it has a vital role to play at their heart

Christia Wolfs "Der Geteilte Himmel" : Eine Analyse Emily Abernathy, 2002

The Death of Socialist Realism in the Novels of Christa Wolf George Buehler, 1984 Abiding by the Soviet model the concept of socialist realism in the GDR is identified by five characteristics 1 Objective Reflection of Reality 2 Partiality 3 National Orientation 4 The Typical and 5 The Positive Hero By adhering to these criteria works of socialist realism promote the precepts of socialism as a Wegweiser in the transition from capitalism to communism

Moskauer Novelle Christa Wolf s first work may be characterized as a model of socialist realism in that it faithfully abides by all five prerequisites of that literary phenomenon However marked deviation from the expected norm of socialist realism literature is already evident in *Der geteilte Himmel* the second novel by Wolf in that a search for truth replaced earlier political subservience Personal isolation and alienation presented in a stream of consciousness format in *Nachdenken ber Christa T* and *Kein Ort Nirgends* mark the death of this literary phenomenon

Christa Wolf und Sowjetrußland 1945-1991 Tanja Walenski, 1999 Die Publikation untersucht zwei weithin unerforschte Aspekte der Biographie und des Werkes der Schriftstellerin Christa Wolf Zum einen ihr Bild von der Sowjetunion von Stalin bis Gorbacev das sie sich auf Reisen und in Bekanntschaften mit Russen gemacht hat zum anderen die Rezeption ihres Werkes in der UdSSR im gleichen Zeitraum Beide Aspekte werden in ihrer Entwicklung und Wandlung nachgezeichnet Die Studie fragt auch welche Bedeutung russische und sowjetische Schriftsteller f r Wolfs Werk hatten und verfolgt konkrete komparatistische Ans tze Im Ergebnis
